2.0 SUMMARY OF PROFESSIONAL AND WORKING EXPERIENCE

I am a Consultant Physician and Diabetologist (Endocrinologist). I am currently a Principal Medical Officer with the University of Nairobi Health Services. I conduct my part-time private practice from the Nairobi Hospital Doctors Plaza. I am registered with the Kenya Medical Practitioners and Dentist Board. I am a Consultant Physician with a long working experience both in public and private sector. My working experience includes managing both outpatients and inpatients in the major health facilities and private clinics. I also had a long working experience in a one-stop Diabetes Centre in one of the leading University hospitals in Kenya between 1994 and 2000.

My areas of interest include endocrinology with a special focus on diabetes, and especially the diabetic foot management, and HIV and AIDS. I have admitting rights at The Nairobi Hospital, The Aga Khan University Hospital (Nairobi), M.P. Shah Hospital, Avenue Hospital, The Mater Hospital and Karen Hospital.

3.0 PROFESSIONAL QUALIFICATION

1. Certificate in Diabetic Foot Management (MV Hospital, Chennai, India, 2013)
