

# **CURRICULUM VITAE - BONIFACE OMUGA K'OYUGI, PhD, MBS**

## **I. PERSONAL INFORMATION**

Nationality : Kenyan  
Date of birth : 30th August, 1956  
Place of birth : Ambira, Siaya County, Kenya  
Marital Status : Married  
International languages : English  
Contact Address : Population Studies and Research Institute  
University of Nairobi  
Main Campus, 2<sup>nd</sup> Floor, Hyslop Building  
P.O. Box 30197 - 00100, Nairobi, Kenya  
Telephone contacts : Office - +254-20-318262 Ext. 2829 / 28115  
Mobile - +254-710-723874 & +254-733-942402  
E-mail - [bkoyugi@uonbi.ac.ke](mailto:bkoyugi@uonbi.ac.ke)  
- [bkoyugi@gmail.com](mailto:bkoyugi@gmail.com)

## **II. KEY SKILLS**

Profession : Demographer

Areas of expertise :

- Technical demography with special interest in mortality; statistical and mathematical demography; epidemiology; and, techniques of demographic analysis.
- Teaching and research in population, reproductive health and related socio-economic development fields.
- Information gathering and data processing involving field surveys, documents reviews, information search and statistical analysis using various computer packages.
- Policy development and analysis with special focus on population and reproductive health.
- Programme development including preparation of country population programmes and implementation plans.
- Programme monitoring and evaluation with special interest in M&E training; programme baseline information gathering; and, evaluations (mid-line, end-line and thematic) of population, reproductive health and related fields.
- Management (financial, administrative and technical) with special focus on corporate governance of state corporations and Inter-Governmental Organizations.

## **III. EDUCATION BACKGROUND**

### **(a) Universities attended**

<u>Name</u>	<u>Dates</u>	<u>Degree/Field of study</u>
University of Nairobi	1988-1993	PhD (Population Studies)
University of Nairobi	1980-1982	MSc (Population Studies)
University of Nairobi	1977-1980	B.Ed. (Science)

## **(b) Other formal training**

1. A five-day International Management Training programme for Board Chairmen, Chief Executives, Directors' & Board Secretaries organized by Business Education Exams Council International at Hilton Hotel Nairobi, Kenya (July 6-10, 2009).
2. A five-day Corporate Governance Training Course for Directors organized by Centre for Corporate Governance at Mombasa Serena Beach Hotel, Kenya (September 23-28, 2007).
3. A twelve-month study programme in relation to the final phase of my PhD work at the Johns Hopkins University, U.S.A (November, 1991 to October, 1992).
4. A four-month study programme in relation to phase one of my PhD work at the Johns Hopkins University, U.S.A (August - November, 1989).
5. A three-month course on Applied Population and Development Planning (INPLAN) at Research Triangle Institute, North Carolina, U.S.A (March - May, 1985).

## **IV. WORKING EXPERIENCE**

### **Current Position:**

Senior Lecturer, Population Studies and Research Institute, University of Nairobi, from 2002. Had a six year leave of absence from 2007 to 2013 for Government of Kenya appointment. Resumed duties from 1<sup>st</sup> August 2013. Currently chair of two PSRI committees – Training and Research.

### **2007- 2013:**

Director General, National Council for Population and Development (NCPD). This is a Semi- Autonomous Government Agency in the then Ministry of State for Planning National Development and Vision 2030 currently Ministry of Devolution and Planning. As the Chief Executive Officer, I was responsible for all the financial, administrative and technical affairs of the State Corporation plus other duties assigned by the Board of Directors, the Permanent Secretary and the Minister as stipulated in the State Corporations Act. During my tour of duty: population moved to the top priority list in government's development agenda; NCPD successfully restructured and put in place a certified management system; NCPD more than tripled its annual budget; NCPD successfully developed and obtained Cabinet and Parliament approvals for the Sessional Paper Number 4 of 2012 on Population Policy for National Development which also received a UN award in 2013; and, the organization maintained clean internal and external financial and technical audit reports hence establishing excellent working relationships with key stakeholders including government, and development partners.

1990-2002:

Lecturer, Population Studies and Research Institute, University of Nairobi. Duties include teaching, research and supervision of postgraduate at the Institute. I was in charge of a number of PSRI's management committees and institutional donor funded projects. I also served as acting Director of PSRI for short periods.

1986-1990:

Tutorial Fellow, Population Studies and Research Institute (PSRI), University of Nairobi. Conducted teaching and research activities while undertaking PhD study programme.

1982-1986:

Planning Officer, in-charge of population sector, Ministry of Planning and National Development. Duties included: coordinating the development and implementation of population and related policies and programmes within the context of the national and district development plans (this was prior to the establishment of the National Council for Population and Development in late 1982); integration of population variables into national, sectoral and district development plans; programme monitoring, review and budgeting for population and other related programmes in Ministry of Home Affairs (then housing the NCPD) in liaison with Budgetary Supplies Officers in the Ministry of Finance and other relevant officers in the implementing departments in the ministry; analysis of proposals in the population sector including bilateral and multi-lateral donor funded national population programmes and projects in liaison with officers in the External Resources Department - Ministry of Finance; and, writing population policy and programme briefs including status reports and Kenya country statements for national and international population meetings such as the 1984 African and World Population conferences.

## **V. MAJOR RESEARCHES AND CONSULTANCIES UNDERTAKEN**

### **(a) Researches and consultancies**

1. In my capacity as NCPD Director General and Member, KNBS Board of Directors, I was deeply involved in overseeing the execution of a number of important research related tasks including: 2009 Population Census; 2008/09 Kenya Demographic and Health Survey; 2007 and 2013 Kenya AIDS Indicator Surveys; 2010 Kenya Provision Assessment Survey; and, various national projects' baseline, mid and end line surveys
2. Development of GOS/UNFPA 4<sup>th</sup> CPAP – May–June 2007 in Freetown, Sierra Leone as UNFPA/CST AA PD consultant.
3. Development of GOR/UNFPA 6<sup>th</sup> Country Programme of Assistance (2008-2012) to Rwanda – February 26 to March 9, 2007. Participated as UNFPA/CST AA PD consultant.

4. Development of GOS/UNFPA 4<sup>th</sup> Country Programme of Assistance (2008-2010) to Sierra Leone – January 14 – 20, 2007. Participated as UNFPA/CST AA PD consultant.
5. Mid-Term Review of GOK/UNFPA 6<sup>th</sup> Country Programme – November 2006 to March 2007. Participated as PD consultant and the Team Leader.
6. Draft National Reproductive Health Policy – October 2004 to August 2006. Participated in the writing of the draft policy jointly with J. Mati as the two lead consultants under the coordination of the Reproductive Health Task Force of DRH with financial support from Policy Project Kenya. The RH Policy was finalized and published by Ministry of Health in 2007.
7. Capacity Assessment of national and regional institutions in Kenya for provision of technical assistance in UNFPA funded population, gender and reproductive health programmes for the 6<sup>th</sup> Country Programme (covering 2004-2008 period) - June 2004. I participated as the local consultant paired with the UNFPA Country Support Team based in Addis Ababa.
8. Kenya's Position Paper on the Implementation of the ICPD Programme of Action - May 2004. The paper was for the ICPD+10 Africa regional member states meeting held in Dakar in May 2004 and the NGOs meeting held in Nairobi in June 2004. I prepared the paper as a consultant to NCPD.
9. Training modules on VCT, ARVs and PMTCT for Constituency Aids Control Committees (CACCs) - May 2004. National Aids Control Council contracted Population Association of Kenya to develop the modules. I participated as a consultant and developed the training module on PMTCT.
10. Country Report for Kenya – September 2003. Thematic Evaluation of Population and Development Oriented Programmes in EC External Co-operation. European Commission contracted PARTICIP GmbH to undertake the evaluation exercise. I participated as the local consultant while Jane H. Cole was the external consultant.
11. Country Population Assessment (CPA) for Kenya - January 2003. The exercise was coordinated jointly by UNFPA and NCPD. I served as the lead consultant for Population and Development Strategies working together with E. Muia who was the lead consultant for Reproductive Health.
12. UNICEF global study on the long-term socio-economic impact of HIV/AIDS on children and policy response. The study was undertaken in March – December 2001. I participated as the lead consultant and produced the Kenya Country Case Study report that is part of the UNICEF's IRC publications
13. Kenya Country Common Assessment (CCA) 2000. UNDP coordinated the exercise. Participated jointly with T. Ryan. I was responsible for data collection that took place in June – July 2000.
14. WHO/PSRI KAP Baseline Survey on reproductive health and family planning in North East and North West regions of Somalia, May to October 1999. I was responsible for data collection in the North East region and production of the study report.

15. UNDP Funded Research Project on socio-cultural factors associated with HIV/AIDS in Kenya: A case study of Homa Bay and Mwingi districts. Research undertaken in July to October 1998. I was one of the four principal researchers that implemented the project. The National Aids Stds Control Programme coordinated the research.
16. Analysis of the 1989 Population Census data. I was one of the researchers who analyzed the 1989 Population Census data. The analysis was done in 1994 -1995 and coordinated by Central Bureau of Statistics with financial support from UNFPA. I wrote the Analytical Report Volume 8 on Education..
17. "Kenya Maternal Mortality Baseline Survey" a UNICEF funded project implemented in 1994 by the PSRI Research Team. I was one of the principal researchers. I coordinated the hospital data collection and authored chapters three and seven of the survey report, 1995.

**(b) Postgraduate student research works successfully supervised**

I have supervised successfully over 100 master's level and a number of PhD students at University of Nairobi. I have also examined several Masters and PhD theses from our national and other universities in Africa.

**VI. TEACHING AND TRAINING EXPERIENCE**

**(a) University of Nairobi approved degree/diploma programmes**

Since joining the University of Nairobi in 1986, I have been taught a number of courses mainly on technical demography, statistical and research methods as applied to demography. These have been at various levels including graduate diploma, masters and PhD.

**(b) Short-term training programmes**

1. Capacity Building Workshops on Integration of Population Variables into Development Planning for GOK/UNFPA 6CP Implementing Partners in June 2006. I participated as resource person and workshop coordinator.
2. Capacity Building Workshops on Monitoring and Evaluation for PEPFAR and GOK/UNFPA 6CP Implementing Partners conducted by PSRI in 2005 and 2006. These were series of five-day training workshops targeting programme officers. I participated as resource person and as workshop coordinator.
3. Global Leadership Training Programme for senior programme officers on adolescent reproductive health within the context of HIV/AIDS conducted in 2003 by PSRI in collaboration with NCPD. This was a two-week training workshop for Eastern and Southern African region held in Nairobi with financial support from Partners a South-South Initiative. I served as the training coordinator.

4. AMREF International Training Programme on Diploma in Community Health in 2003 and 2004. I jointly facilitated a two-week course on Applied Epidemiology – Demographic Unit.
5. CAFS training programme on operational sing Cairo and Beijing – Gender and Reproductive Health conducted in 1999 – 2000 period. I facilitated the sessions on introduction to research.
6. GOK / UNDP training programme for planners on HIV/AIDS organized by the Office of the Vice President and Ministry of Planning and National Development in 1997. I served as one of the resource persons that conducted the training.
7. Women's Bureau / ODA training programme on the implementation of Global Platform for Action on Gender and Development held in Kitui and Mombasa districts in 1997. I served as the lead consultant.
8. Kenya Medical Association training programme on population and family planning for various cadres of medical personnel in the private sector and NGOs conducted in the 1993 – 1994 period. I served as a resource person for the various sessions on population policies and programmes.
9. PSRI short term courses including LOGFRAME training conducted during the 1993 –1996 and 1997 – 2001 periods for various cadres of personnel in Government, Private Sector and NGOs aimed at enhancing their skills in incorporating population factor in their work. I was responsible for sessions on various topics.

## **VII. PUBLICATIONS**

### **(a) Theses**
