OBJECTIVE	
<p>My professional objective is to develop my career in academia, specializing in Clinical Pharmacy and also to provide (to the best of my knowledge) quality, professional, efficient and effective pharmaceutical care services to the community in order to enhance the growth of pharmacy profession globally</p>	
PROFILE	
<p>I am a Ph.D scholar in Clinical Pharmacy. I am a qualified Clinical Pharmacist, registered with the Pharmacy and Poisons Board and a member of Pharmaceutical Society of Kenya. I pursued my Bachelor of Pharmacy degree at the University of Nairobi. I graduated with an excellent record of achievement and was top student. As a pharmacist, I have gained tremendous working experience in Community, Hospital, Industry, Non-Governmental Organizations (NGOs) at managerial levels, and university teaching in clinical pharmacy. I am a meticulous, hardworking, ambitious and focused Clinical Pharmacist.</p>	
EMPLOYMENT HISTORY
