PERSONAL PROFILE

Self-motivated, confident and a quick learner. I place great value on being ethical, trustworthy and responsible for my actions. I enjoy challenging tasks and responsibility in my professional life as these offer a measure of my capabilities. Open to learning and exploring new ideas. I have the ability to lead a team which strives for quality in service delivery.

CAREER OBJECTIVE

To secure a challenging, full time position in growing company. To be a key member of a team, where I can be in a position to directly impact the growth and development of the company.

In particular, I wish to be a leader in creating structure, overseeing adherence to company policy and instituting best practice for myself and my team.

My promise is to display professionalism, competence and moral integrity.
