2. KEY ACHIEVEMENTS

2022:

- A 2022 nominee for the position of UN Special Rapporteur/Independent Expert on the right to Education
- Member of the Governing Council, Kenya National Academy of Sciences (KNAS)
- Chairman, BoM Marani Girls School, Nyamira County
- Examinations Officer, Department of Educational and Distance studies

2020:

- Certificate by Association of African Universities online training in thesis and dissertation writing & supervision;
- Certificate by Association of African Universities online training in advanced research methods; Certificate by UNESCO International Institute of Online Education (IIOE) Big data training;
- Appointed Departmental examinations officer

2019: Columbia University (USA) Committee on Global thought appointed me a facilitator for Youth In a Changing World Workshop.

2018: Appointed Regional Coordinator for the University of Nairobi, OdeL campus incharge of the NorthRift region.

2017: Appointment as external examiner by the University of Zululand, South Africa

2015:

1. I was admitted as a full member of the Kenya National Academy of Sciences. This is the top most academic professional body in Kenya.
2. I was recruited by the University of Nairobi as Lecturer in the department of Education studies in the school of Continuing and Distance studies.
3. Attended a workshop titled “Harnessing the use of Big Data for Socio-economic Development in Africa” Using Anachonda and Python programming language for large-scale data processing.
4. I was appointed chairman of Board of management (BOM) Nyachururu Sec. School in Nyamira county

2014:

1. I was awarded, by South Eastern Kenya University, the best overall publisher of the year 2014 having published the highest number of articles in internationally peer reviewed journals. This award included a cash reward.
2. Promoted to acting dean Dean, School of Education.

2013

1. Development of PhD programme in Educational Administration and Planning and eventual approval by the South Eastern Kenya University Senate.

2012

1. Carried out a successful campaign to recruit Masters students for MED program and managed to have thirty (30) students into the program.

2011

1. Recruited as lecturer at the then South Eastern University College (constituent college of the University of Nairobi)
2. Appointed Chairman, Department of Education Administration and Planning

2006 Appointed Assistant Director of Research Ministry of higher Education Science and Technology

2003 Appointed Principal of Kapsoya High School in Eldoret Municipality

3. RESUME

Dr. Migosi is currently Senior Lecturer in the Department of Education Studies of the University of Nairobi. Previously, served as ag. Dean School of Education, the founding chairman, Department of Educational Administration and Planning for three years. He holds a PhD in Education from the Catholic University of Eastern Africa, both Masters in Education and Bachelors in Education from Moi University. He has served as a teacher rising through the ranks to become a high School Principal in a large Provincial Secondary school within Eldoret municipality. Later on he was promoted to the position of an Assistant Director of Research in the Ministry of Higher Education Science and Technology, Headquarters. In the Ministry he was in charge of social sciences desk that was responsible for Science Parks, Intellectual Property Rights and Scientific Awards Scheme. His key contributions in the Ministry included development of the following policies; National Science and Technology Parks, 2010; Kenya framework for Science, Technology and Innovation Exchange programme, 2009; Kenya Science Technology and Innovation (KESTI) Awards Scheme, 2010. He was a Kenyan Delegate to the East African Community High level Task Force (HLTF) to negotiate the East Africa Community common market protocol. This involved series of meetings within the East Africa region and yielded the Draft common market protocol which was ratified by member states on 20th November, 2009. He undertook advanced studies in the establishment of science parks in Shanghai, China. He took part in several management courses including Strategic Leadership Development Programme (SLDP) which was the highest course at the Kenya School of Government (KSG) then. He has undertaken other short courses like Finance for non finance officers, Effective supervision and negotiation skills, Innovation Systems and the MDGs, effective communication skills for scientists, Productivity and competitiveness with special focus on cluster development approach, Evidence based Advice to Policy and computer studies from the Kenya Government information technology services under ministry of planning. In 2011 he took up a full time teaching position as a lecturer at the then University of Nairobi's South Eastern University College, now South Eastern Kenya University. As a lecturer in Economics of Education, Education Evaluation, Educational planning and strategic planning, he has explored other areas in teaching and research including; Total Quality Management in Education, Higher Education Studies, Educational Statistics, Education Financing, Organizational Behaviour, Corporate Governance in Education, Education in Emergencies and so on. He has also taken advanced courses in analytical skills, data analysis skills using MS Excel (Toolpack), Stata and

SPSS (Scientific Package for Social Sciences). He has also made a significant research and publication profile. He has over forty five (55) articles in internationally peer reviewed journals. His recent research works have been accepted in top notch journals and books internationally, six of his most recent articles have been accepted in the reputable International Journal of Economics Education and Development (IJEED) and Asian Journal of Social Sciences (AESS). He has actively participated in collaborative writing and presentation of papers in conferences, seminars and symposia. He has successfully supervised over fifty (50) Masters degree students who have since graduated, PhD students supervised are yet to graduate. In the last five years, Dr. Migosi has been involved in the following consultancies; Data collection exercise on national cooperative baseline survey, baseline survey for EU-restore and SIDA projects-Somalia, evaluation of Kenya Peaceful Youth and their Communities Program, midline study on early grade mathematics competency levels among class 2 pupils in Kenya for the Ministry of Education Kenya, won NRF competitive multidisciplinary grants. Editorial and peer reviewer for NCRC (National Crime Research Centre), individual consultant to develop social safeguards for Ministry of Education Kenya and the World Bank project, individual consultant to develop World Bank funded school improvement project (SIP). Priede- Ministry of Education project on SIP (School Improvement Plan) development, individual consultant for APHRC to undertake literature review for education access in marginalised areas in East Africa, lead project leader completed baseline survey, customer satisfaction, work environment survey for the Kenya judiciary, developing a communication strategy for NACADA, carrying out a baseline survey for the National Hospital Insurance Fund (NHIF), carrying out a value addition chain for the Ministry of Northern Kenya, carrying out Drug and alcohol abuse prevalence in the Ministry of Finance Kenya, Carrying out needs assessment of the schools neighboring Lewa Conservancy. Dr. Migosi is a member of Kenya National Academy of Sciences (KNAS), World Futures Society Federation (WFSF) Educational Management Society of Kenya (EMSK), A member of Kenya Association of Education Administration Management (KAEAM) an affiliate of the Commonwealth Council for Educational Administration and Management. full member of Kenya Institute of Management (KIM), the Global Development Network and Science & Development (Scidev) Network. Dr. Migosi was awarded, by South Eastern Kenya University, the best overall publisher of the year 2014 having published the highest number of articles in internationally peer reviewed journals. This award included a cash reward. Dr. Migosi is a Creative, energetic, adaptable and flexible person, Stress-resilient and able to cope with deadlines and complex issues.

4. ACADEMIC BACKGROUND

Doctor of Philosophy (Ph.D.), Catholic University of Eastern Africa, October, 2009.

- Educational Research and Evaluation – specialization in Higher education.
- Dissertation: “Factors Influencing Research Productivity Among Academic Staff in Selected Public and Private Universities in Kenya”.

Master of Education (M.Ed.), Moi University, Eldoret, Kenya, December, 1998.

- Economics of Education & Educational Planning. Specialization in equity issues in higher education.
- Thesis: “Enrolment at University level in Kenya and its equity Implications: A case study of Moi University”.

Bachelor of Education (B.Ed.), Moi, Eldoret, Kenya, December, 1992.

- Majors – Geography and Economics.

5. PROFESSIONAL TRAINING

2007 Strategic Leadership Development Program at Kenya Institute of Administration. This is the highest training offered by the Kenya School of Government. Topics covered included Strategic thinking in leadership, making the Transition from Manager to Leader,

- Developing leadership competencies, Leadership for Performance Improvement and Culture and Change Management.
- 2008 Effective supervision and negotiation skills
- 2009 Finance for non-finance officers

Working With Scientific Package for Social Sciences (SPSS)

I have a good working knowledge of the SPSS as a tool for social scientists. I used this tool for my Masters and PhD Thesis in data analysis and I am comfortable in using it for data analysis. For my PhD I used the Principal Component Analysis (PCA) to work on my data. I did the data entry, data cleaning, and data analysis and was able to write the required report.

55.	Victoria Linda Andayi	L50/6482/2017	Socio-economic factors influencing performance of fish farming in kwanza constituency- Trans-Nzoia county, Kenya.	UoN	Graduated

8. CONSULTANCY WORK

- ✓ **2021 Lead Consultant:** The Inter-University Council for East Africa (IUCEA), Education Sub-Saharan Africa (ESSA), Population Reference Bureau (PRB) and the Association of African Universities (AAU) have formed a consortium to implement a project that is focused at strengthening quality faculty supply in the EAC through a research project titled Demography of African Faculty II (DAF II). Ongoing work. I am the lead consultant in the East Africa region. The consortium is focused at understanding

and addressing 'faculty challenges'. The project will include a detailed study of the challenges that higher education institutions (HEIs) in the East African Community (EAC) face, with respect to faculty

- ✓ **2021 Project Manager: A Midterm Evaluation for School Based Teacher Support System (SBTSS)** The overall objectives of the mid-term evaluation are as follows: To support TSC in evaluating, reviewing and verifying results achieved under the SBTSS program for the science, mathematics and English subjects. This activity is based on results based financing modality. The consultant will therefore be required to support the TSC in collection, analysis and validation of the required data for the relevant Disbursement Linked Indicators (DLIs) in project's results framework Support TSC in preparation of a report with recommendations for scaling up the program to the remaining schools in the targeted sub counties.
- ✓ **2021 Project Manager: End of Project Evaluation of The Support to Enhancement of Quality and Relevance in Higher Education, Science And Technology (HEST) Project:** The project focused on three key areas, Institutional management of both public and private universities, Equipments supplied to these universities and scholarships offered for both Masters and PhD students in these universities. The Equipment and scholarships were funded by the Africa Development Bank (ADB).
- ✓ **2020 Assignment name: REGIONAL COORDINATOR DATA COLLECTION:** I was contracted by Promin Consultants Ltd in coordinating the data collection exercise on National Cooperative baseline survey exercise whose objectives were;
 - Establish contribution of co-operatives to national savings.
 - Establish contribution of co-operatives to national tax revenue.
 - Establish contribution of co-operatives to various economic sectors
 - Establish cooperatives contribution to waged employment.
 - Develop a standard reporting template for periodic data collection and reporting.
- ✓ **2019 2019: Columbia University (USA) Committee on Global thought appointed me a facilitator for Youth in a Changing World Workshop.** I was Facilitator for an online FGD for young people across the Gobe on the aspirations, thoughts and feelings of the youth on their future. The Centre for global thought trained us on conducting FGD before the actual exercise began.
- ✓ **2019 Assignment name: BASELINE SURVEY FOR EU-RESTORE AND SIDA PROJECTS-SOMALIA** The main purpose of the baseline survey was to establish and document baseline values for key outcome indicators of the projects so as to serve as a basis for measuring change through future evaluations. Specifically, the baseline assessment seeks to achieve the following objectives: To gather appropriate data to establish benchmark values for key indicators of the project, To establish the vulnerabilities and gender disparities in the impact area, To establish priority areas of the project which should inform programming and scope of implementation and monitoring.
- ✓ **2019 Assignment name: EVALUATION OF KENYA PEACEFUL YOUTH AND THEIR COMMUNITIES PROGRAM.** Hired as a Monitoring and evaluation consultant by the American Friends Service Committee (AFSC), a Quaker Organization for the Kenya Peaceful Youth and their Communities Program. The goal of the program was to enhance social cohesion and sustainable peace among the youth. The three objectives of the program were: to increase the capacity of youth for peace building and conflict transformation in their communities, to enhance livelihoods for youth at high risk of conflict and to strengthen policy advocacy and partnership for youth integration

in peacebuilding and conflict transformation. The evaluation systematically and objectively assessed the relevance, effectiveness, impact, sustainability and efficiency of the interventions of the program.

- ✓ **2018 Assignment name: REGIONAL COORDINATOR DATA COLLECTION:**
I was contracted by Promin Consultants Ltd in coordinating the data collection exercise on Midline Study on Early Grade Mathematics Competency Levels among Class 2 Pupils in Kenya for the Ministry of Education Kenya. I was the Regional Coordinator for Nakuru, Kericho and Bomet Counties and in-charge of 26 schools spread in these three counties. The Study was to determine the Early Grade Mathematics (EGM) competencies among Class 2 pupils disaggregated by gender, region, rural-urban and public and private schools. I satisfactorily completed the work and on-time. During the data collection exercise I was able to build effective working relationships among all the 52 data enumerators thereby creating a positive work environment and as a direct result of my leadership, quality data was gathered.
- ✓ **2018 Assignment name: COMPETITIVE MULTIDISCIPLINARY GRANTS.**
2018 Successful access of National Research Fund Kenya, through a multi-disciplinary application of research funding to assess and develop a training module targeting anti extremism activities among the youth in Kenya. This was worth USD 8,000. This is work in progress, when complete, it will provide a training manual for youths in Kenya on the anti-extremism activities in the region. Successful access of National Research Fund Kenya, through a multi-disciplinary application of research funding to assess and develop a training module targeting anti extremism activities among the youth in Kenya. This was worth Ksh. 8 Million.
- ✓ 2018 Editorial and Peer Review of consultant on “The Perception on Capital Offences and Punishment in Kenya by the NCRC (National Crime Research Centre). This work was about peer reviewing and doing editorial work on some various jobs done by various consultants for the NCRC.
- ✓ 2017 World Bank funded Lead Consultant for Secondary school Quality Improvement Project - Social safeguard component. Development of a VMG Framework by the Ministry of Education science and technology. This work involved development of the VMG Framework to guide the development of a framework concerned with world |Bank policies and regulations OP4.10 on the attention of any project to the marginalised and vulnerable groups. This was a SEQIP project. The work can be reached on
<http://www.education.go.ke/phocadownload/SEQIP%20VMGF%20REPORT%20JULY%202017.pdf>
- ✓ 2016 PRIEDE- Ministry of education project on SIP (School Improvement Plan) development. I was hired by UNES (University of Nairobi Enterprises Services) to do this assignment. I successfully did this as a coordinator for Vihiga County, Kenya. The project was about helping low performing schools in Vihiga County to develop school improvement plans to assist them access funds from a word bank funded project titled PRIEDE within the ministry of education.
- ✓ 2016 appointed by APHRC (Africa Population Health Research Centre) to undertake literature review and generate a publishable document on Urban Education: Improving quality of Education for children living in Urban Informal Settlements in East Africa.

APHRC is committed to generating an Africa-led and Africa-owned body of evidence to inform decision making for an effective and sustainable response to the most critical challenges facing the continent.

- ✓ 2015 completed Baseline survey, customer satisfaction, work environment survey for the Kenya Judiciary; I was taken up as a consultant for the work as sub contract. The main task had been taken up by the Sigmund Peak International. We collected data from almost all the courts in Kenya specifically looking at the Baseline survey, customer satisfaction, and work environment survey for the Kenya Judiciary. A report was written which greatly improved the performance of Kenyan courts.
- ✓ 2015 UNDP project on development of intergovernmental guidelines for interagency collaboration, sectoral forums and dispute resolution mechanisms; Under the Ministry of Devolution Kenya. The purpose of this work was to develop guidelines to assist the ministry of devolution to operationalize three key sub sectors in the ministry namely interagency collaboration, sectoral forums and dispute resolution mechanisms
- ✓ 2014 Baseline survey, customer satisfaction, work environment survey for National Hospital Insurance Fund, Kenya; I was appointed as lead consultant by Sigmund peak international. This was a national exercise. We captured the views of the NHIF customers in an effort to help the NHIF board to operate responsively.
- ✓ 2013 Technical Support to European Union and the Directorate of Devolution for County staff needs assessment Data recording and processing. The client was the European Union; I assisted the organization to enter all their data in a data base for easy retrieval. I also trained staff on the operationalization and usage of SPSS (Scientific Package for Social Sciences) software for the data management in the ministry. All requirements in the staff data were captured and were used as when the data was required.
- ✓ 2011 Job creation opportunities in the regional development authorities in Kenya. Client. Ministry of regional development; I was sub contracted by three D communications Ltd. We did thorough literature review, and collected data using mainly qualitative research design to come up with possible job creation opportunities in all the relevant regional authorities in the country.
- ✓ 2012 Lead consultant for a study on viability of projects and programs in Coast development Authority and Ewaso Ngiro South Development Authority for the Ministry of Regional development; I was sub contracted by 3D communications as lead consultant in this. All projects in the region were assessed for their viability and a clear report on the same was written.
- ✓ 2012 Lead consultant in stakeholder analysis on appropriateness, availability and sustainability of existing NACADA IEC materials; I was contracted by 3D communication as a consultant to develop relevant messages for appropriate audiences that were targeted by the messages by NACADA
- ✓ 2009 -2011 was a delegate to the East Africa Community in the High Level Task Force (HLTF) and was instrumental in the development of the Common Market Protocol and the resultant Annexes

- ✓ 2007 Baseline survey, customer satisfaction, work environment survey for Kenya National Academy of sciences; and
