

LILLIAN OTIENO-OMUTOKO
**SENIOR LECTURER, DEPARTMENT OF EDUCATIONAL
MANAGEMENT, POLICY AND CURRICULUM STUDIES**

UNIVERSITY OF NAIROBI
FACULTY OF EDUCATION
P.O.BOX 24386-00502
NAIROBI
joyce.lillian@uonbi.ac.ke

Profile

Dr. Lillian Otieno-Omutoko is a Senior Lecturer in the Department of Educational Management, Policy and Curriculum Studies, Faculty of Education, University of Nairobi. With over eighteen years working experience at the University, she has refined her research, administrative, and project management skills. Her qualifications include but are not limited to Education, Administration and Planning, Global Bioethics, Health Research Ethics and Responsible Conduct in International Research. She lectures in Educational Management, Higher Education Administration, Educational Planning, Total Quality Management, Training & Curriculum Development and Research Methods. Her research activities include supervision of postgraduate students, conducting research in education, gender, management, project management, research ethics and bioethics.

In her previous position, she was the Regional Coordinator, Nairobi Learning Centre. She was also the Resident Lecturer in charge of Nyeri Extra Mural Centre, a position she held for eight years. During her tenure, she was instrumental in the introduction of a successful Master's program in Project planning and Management. Under her leadership, there was an expansion in student enrolment, increased completion rates and infrastructure. She also spearheaded the first publication and launch of African Journal for Project Planning and Management of which she is the deputy editor. She is an accomplished author and a reviewer of journals.

Dr. Lillian was the Chief Examination Officer, Department of Open Learning and headed the Postgraduate Studies Committee at the University of Nairobi (UoN) for three years. She is a social scientist with keen interest in bioethics in which she has focused since 2010. She is an active member of the National Scientific and Ethics Research Committee and University of Nairobi- Kenyatta National Hospital Ethics Research Committee. She also serves as the Secretary of the Bioethics Society of Kenya,

Vice Chairperson of Research Association for Southern Africa, Member of Africa Consortium of Bioethicists and International Association for Ethics Education.

She has undergone training in Responsible Conduct in International Research and Health Research Ethics, Global Bioethics and Ethics in Higher Education for Teaching Professionals. She is a trainer of Bioethics, Health Research Ethics, and Research Ethics. She trains researchers, health practitioners and Institutional Research Ethics Committee members. Her experience in research regulatory activities include research and development, protocol review, development of standard operating procedures and regulatory compliance. She has been involved in monitoring and evaluation of research sites and Institutional Ethics Review Committees, development of curricula and study modules for graduate students.

EDUCATION

Msc in Global Bioethics, 2019-2021 Anahuac University, Mexico

Project- Ethical and Legal Perspectives of surrogacy in developed and low resource countries-the Case of Australia and Kenya

Certificate 2019, Ethics in Higher Education for Teaching Professionals – Globethics.net

PGD - Jan-December 2014 University of Stellenbosch, South Africa - Health Research Ethics

Project: Building Community Partnerships: Understanding Community Engagement as a Pillar for Ethical Conduct of HIV Vaccine Research in Selected Countries in Africa

PhD - August-December 2007 Catholic University of Eastern Africa- Doctor of Philosophy in Education - Educational Administration and Planning

Dissertation: An Exploratory Study on Masculinity and Boys' Academic achievement in Selected Secondary Schools in Nairobi City

MEd- April 2001 – May 2003 University of Nairobi - Master of Arts Degree in Educational Administration and Planning

Thesis: An Assessment of Factors Affecting Quality of Early Childhood Education in Nyeri, District of Central Province, Kenya.

Area of Specialization – Administration

BEd- October 1994- November 2000 University of Nairobi – Undergraduate degree
Area of Specialization -Linguistics and Literature

Dip.Ed. – 1990 Kagumo College – Education

Area of Specialization: English and Home Science

CURRENT POSITIONS

Senior Lecturer, Department of Education Management, Policy and Curriculum Studies, Faculty of Education, University of Nairobi

Faculty, CBEC-KEMRI, Bioethics Training Initiative, Kenya Medical Research Institute in collaboration with Pakistani University

Trainer, National Commission of Science, Technology and Innovation; National Scientific and Ethics Review Committee

Bioethics Coordinator, Health Professional Educational Partnership Initiative, Faculty of Medicine, Department of Pediatrics and Child Health

HONORS AND AWARDS

2019

Scholarship to study Master in Global Bioethics at Anahuac University, Mexico

2018

Grant Award; European and Developing Countries Clinical Trials Partnership for Strengthening Research Capacity in Kenya

2018

Centre of Medical Ethics and Law, sponsorship to attend the 7th Annual Research Seminar at Cape Town, South Africa

2017:

Action Contre Faim, sponsorship to attend Hunger Conference on Research for Nutrition, Operational Challenges and Uptake in Prevention and Treatment of Under nutrition at Pavilion De L'eau, Paris Centre of Medical Ethics and Law, sponsorship to attend the 6th Annual Research Seminar at Cape Town, South Africa

2013

Scholarship Awarded by Fogarty International Centre of the National Institutes of Health to study a Postgraduate Diploma in Health Research Ethics

2011

Grant offered by International Aids Research Training Program (IARTP) for grant writing workshops for Kenyatta National Hospital-University of Nairobi Ethics Review Committee

2010

International AIDS Research Training Program and Kenya Free of AIDS Award for a Post-Doctoral Fellowship at University of Washington

2007

Missio Grant; partial award offered by Catholic University of Eastern Africa for PhD Studies

Duties and Responsibilities

Regional Coordinator, Nairobi Learning Centre

- Supervision of regional staff constituting of 13 Administrative Staff and over 250 lecturers
- Identifying training gaps and organizing for capacity building
- Preparation of teaching and seminar schedules

- Engage in philosophical discourse

Academic Teaching

- **TAP 520:** Higher Education Administration
- **TAP 509:** Theory and Practice of Education Management
- **TAP 302:** Educational Administration
- **LPD 802 :** Advanced Research Methods (PhD in Project Planning & Management)
- **LPD 805:** Project Planning, Design & Implementation (PhD in Project Planning & Management)
- **LDP 603:** Research Methods (MA in Project Planning & Management)
- **LDP 606:** Training and Curriculum Development (MA in Project Planning & Management)
- **LDP 607:** Total Quality Management(MA in Project Planning & Management)

Key Achievements & Curriculum Development

Key Achievements

- **2019:** Developed a Curriculum for training Institutional Research Ethics Committee Members
- **2018:** Developed a Curriculum for Master of Science in Bioethics for AMREF University under the National Institutes of Health Grant, currently in use
- **2017:** Participated in developing a Monitoring and Evaluation tool for evaluating Compliance of Institutional Ethics Research Committees
- **2017:** Developed a Performance Ranking Scale for auditing Institutional Ethics Research Committees
- **March 2016:** Developed a Curriculum for Master of Science in Monitoring and Evaluation and Master of Science in Project Finance
- **February 2016:** Participated in harmonization of Bioethics and Responsible Conduct in Research Curriculum in collaboration with Prime-K and KAVI Institute of Clinical Research
- **2015:** Spearheaded the first publication and launch of African Journal for Project Planning and Management
- **July 2015:** Participated in writing Mentorship Guidelines for Undergraduate Students. This was done under the flagship of PRIME-K, University of Nairobi
- **2007 to 2015:** Revamped activities and programs in Nyeri Extra Mural Centre and started off Masters in Project Planning and Management
- **2007 to 2015:** Initiated four sub-centers, namely Kerugoya, Kangema, Nanyuki, Muranga and Karatina
- **2010:** Participated in developing the PhD Curriculum in Project Planning and Management

- **2012:** Participated in developing a Bachelor of Arts Curriculum in Project Planning and Management
- **2008:** Participated in reviewing Masters in Project Planning and Management

Curriculum Development

- Development of Curriculum for Master of Science in Bioethics
- Development of Curriculum for Philosophical Foundations, Clinical Ethics and Research Ethics
- Development and Review of Research Ethics Course for Institutional Research Ethics Committee Members
- Reviewed the Curriculum for Ethical Issues in Research, Postgraduate Diploma in Research Methods
- Participated in curriculum Development for Bachelor of Arts Degree in Project Planning and Management
- Participated in curriculum development for Master of Arts in Project Planning and Management; Monitoring and Evaluation; Project Financing
- Participated in curriculum development of Doctor of Philosophy in Project Planning and Management
- Spearheaded reviewing of Certificate Courses in Project Planning and Management, Business Management, Public Relations, Guidance and Counseling and Human Resource Management

Grants

2022: Key Personnel in a grant application titled UoN-OSU MSc in One Health and Emergency Research Ethics (MOHERE) sponsored by National Institutes of Health. Grant IR25TW012217-01. Principal Investigator- O'Mathuna Donal.

2019: Resource Person in a grant application titled Bioethics Support for County Level Research to be sponsored by National Institutes of Health. Grant 12854980, Principal Investigator-Dalton Wamalwa

2018: Co-Investigator in the European and Developing Countries Clinical Trials Partnership (EDCTP) grant award for Strengthening Research Capacity in Kenya. Grant Award Number: CSA2017ERC-1857. Principal Investigator-Prof. Walter Jaoko

2012: Submitted a research proposal for funding by Council for Development of Researchers in Africa (CODESRIA) for a study titled 'A Situational Analysis of Mentorship Programs to Enhance Institutional Objectives in Kenya.' The grant was worth \$US 35,000

2011: Initiated constitution of a Collaboration Team with members of the Department of Extramural Studies and Distance and Educational Studies for the development of a proposal for ‘Pan African Mentorship Support Program’ which was successfully submitted to USAID for funding. The call was on Development Innovation Ventures. We were applying for seed funding which was worth \$US 100,000 for the first year.

2010: Constituted Grant Research Collaboration Team made up of faculty from College of Health Sciences, College of Humanities and Social Sciences, College of Biological and Health Sciences and faculty from University of Washington. In 2011, we submitted an Application Grant Proposal which was worth \$US 23,000 per year, the project was to run for two years.

SUPERVISION OF POSTGRADUATE STUDENTS

PhD Students Examined as an Internal Examiner

2009

- Peter Keiyoro Njenga Thesis - *“Factors Influencing the Effective Use of ICT in Teaching and Learning Science Curriculum in Kenyan Secondary Schools: The Case of Cyber and NEPAD e-Schools.”*

2010

- Angelina Sabina Mulwa Thesis - *“The Influence of Institutional and Human Factors on the Readiness to Adopt E- Learning: The Case of Secondary Schools in Kitui District- Kenya.”*
- Isaac Odhiambo Abuya Thesis - *“Project Design Orientations, Social Capital and Orphaned Learners’ Educational Achievements: The Case of Orphan Support Projects in Homa Bay County, Kenya.”*

2011

- Daniel Kemei Thesis- *“Project Leadership Competencies, Strategic Factors and Enterprise Resource Planning System Project System Project Implementation in Selected Energy Sector State Parastatals in Kenya.”*

2014

- Beryl Namalwa Mutekhele Thesis- *“Utilization of Monitoring and Evaluation Systems, Organizational Culture, Leadership and Performance of Educational Building Infrastructural Projects: A Case of Bungoma County, Kenya.”*

2015

- Penina Mbithe Mbuva Thesis- *“Internal Control System, Innovation, Tax Compliance and Performance of Small and Medium Enterprise Projects of Machakos County, Kenya.”*

Committee of Examiners- Member

2022

- Benson Leiyen Ntoyian Thesis- *“Project Team Diversity, Interpersonal Conflict and Implementation of Building Construction Projects in Kajiado County.”*

PhD Students Supervised to Completion
