Professor of Thoracic and Cardio-vascular surgery since 2000 at the University of Nairobi. (Associate Professor from 1988). In 1986 was given an award for outstanding contribution in medicine by **the Giant Federation of Kenya**, and in 1993 received another award by the **Pan-African Society Of Cardiology** for distinguished service to cardiology in Africa. Listed among **'MEN OF ACHIEVEMENT'** by International Biographical Center, Cambridge, England **{Volume 10, 1984}**. Believes to have been born to serve humanity, and committed to the achievement of excellence in thoracic and cardiovascular medicine and surgery. Personal objective is to build the capacity of young professionals in the specialty, to extend service coverage to those hard-to-reach populations of the Kenyan society, to increase awareness on prevention and early recognition of thoracic and cardiovascular problems and ailments, and to influence health seeking behavior for timely and appropriate therapeutic measures, including corrective surgery.

NATIONAL AND INTERNATIONAL HONOURS:

1984 – Listed in **“MEN OF ACHIEVEMENT”**, International Biographical

Centre, Cambridge, UK.

1986 – **“Outstanding Contribution to Medicine”**, Giants Federation of

Kenya.

1993 – **“Distinguished Service to Cardiology in Africa”**, Pan-African

Society of Cardiology (PASCAR).

2008 - (September, 2) – **“World No-Tobacco Day Award”** by World

Health Organization (WHO) for fight against tobacco.

2010 – (March,11) – **“Exemplary Contribution to Surgical Training**

And Service in Kenya”, Surgical Society of Kenya.

2010 – (June, 14) – Elected **“Member of Kenya National Academy of**

Sciences”.

EDUCATIONAL BACKGROUND AND QUALIFICATIONS:

2005: **American College of Cardiology**

Awarded Fellowship of the American College of Cardiology-

F.A.C.C.

2001 **East, Central and Southern African College of Surgeons**

Fellow of the College - **FCS(ECSA)**

1978: **Royal College of Surgeons of Edinburgh**

Fellow of the Royal Collage of Surgeons (**FRCS**)

1976-1977: Bowater-Ralli ‘Surgical Research Fellow, for Thoracic and Cardio-Vascular Surgery at **Guy’s Hospital and Charring Cross Hospital** (both in London) and **University Hospital of Wales and**

Cardiff United Hospitals (based at Llandough Hospital), South Wales.

1972-1975: University of Nairobi, Faculty of Medicine, Kenya.

Post-graduate, department of medicine- **M.Med (Surgery)**

1963-1968: University of Calcutta, Calcutta Medical College

1st MBBS, 1965: (DISTINCTION IN ANATOMY)

3rd MBBS, 1967: (DISTINCTION IN FORENSIC AND STATE MEDICINE)

Final MBBS, 2008: PASS.

1962-1963: University of Delhi (Hindu college), India

Pre-Medicine (Cf. A-Level science course with 3 Majors in Biology, Chemistry and Physics; English an additional Subject).

1957-1960: Kisii High School - Kenya.

Cambridge School Certificate ("O" levels)

Division 1 pass

1949-1956: Gendia Intermediate School, Omboga & Dudi Primary Schools, Nyanza-- for Primary education

SUMMARY OF PROFESSIONAL QUALIFICATIONS AND AWARDS

MKNAS, 2010 (Member, Kenya National Academy of Sciences);

F.A.C.C, 2005 (Fellow, American College of Cardiology, USA);

FCS (ECSA), 2001 (Fellow, College of Surgeons, East, Central and Southern Africa);

FRCS (Edinburgh) -1978 (Fellow of the Royal College of Surgeons of Edinburgh, U.K.);

M.Med. (Surg.) (Nairobi) – 1975 (Master of Medicine in Surgery, University of Nairobi);

MBBS, (Calcutta, India) – 1968 {Bachelor of Medicine and Bachelor of Surgery, University of Calcutta (Kolkata)}

THORACIC AND CARDIOVASCULAR SURGICAL SPECIALIZATION:

July, 1978 – December, 1978: - As a Visiting Lecturer, Thoracic and Cardiovascular complex at McGill University, based at the Montreal General Hospital, Montreal, Canada.

September, 1977 – May, 1978:- Cardio-Thoracic Surgery:- United Cardiff Hospitals, based at Llandough Hospital and University of Wales, South Wales, U.K.

April, 1977 – August, 1977:- Peripheral Vascular Surgery at Charing Cross Hospital, London, U.K.

October 1976- April 1977:- Cardio-Thoracic Surgical Unit, Guy's Hospital, London, UK.

February 1976- September 1976:- Cardio-Thoracic Surgical Unit, Kenyatta National Hospital, Nairobi, Kenya

APPOINTMENTS AND ASSIGNMENTS WITHIN THE UNIVERSITY OF NAIROBI:

1. (Full) Professor, Thoracic and Cardiovascular Surgery, University of Nairobi, **2000**, to date. (Associate Professor, 1988 – 1999).
2. Dean, Faculty of Medicine, 1992 –1996. (See details below).

**SOME ACTIVITIES AND ACHIEVEMENTS AS DEAN,
FACULTY OF MEDICINE, UNIVERSITY OF NAIROBI
(February 1992 – 31st May 1996).**

- Successfully steered the Faculty of Medicine through its most difficult transitional period for both staff and students towards cost-sharing.
- Silver Jubilee celebrations of the Faculty of Medicine; the first ever such celebration in any of Kenya's public universities, barely three (3) months after being elected Dean of the Faculty. [Elections mid-February, Silver Jubilee (Founding) Day **3rd July, 1992.**
- Successfully canvassed for the final weaning off and inauguration of the two new Faculties of Dental Sciences and Pharmacy in the College of Health Sciences (C.H.S) in 1995, thereby giving the College of Health Sciences three faculties in stead of just one as hitherto.
- Published the first 'prospectus' of the Faculty of Medicine, University of Nairobi.
- Organized and presided over the first "Faculty Day" celebrations (including "Deans' hour") as a prelude to future foundation day celebrations of the Faculty of Medicine in 1995.
- Helped revive and reactivate '**African Epidemiology Network**', 1992 – 1996. As its Sponsor (then), helped strengthen the '**Clinical Epidemiology Unit**' (**C.E.U.**) at the Faculty (now School) of Medicine. It continues to be the most active among the clinical epidemiology units on the African Continent.
- Facilitated collaboration between Kenyatta National Hospital and the Faculty of Medicine through updating in the form of a **Joint Committee** and its report on collaboration between

K. N. H. on the one hand, and Faculty of Medicine, College of Health Sciences for the University of Nairobi, on the other. .

- Presided over rapid expansion of exchange arrangements between the Faculty of Medicine in Nairobi and those in other parts of the world – notably: Tokai University Medical School in Japan, Oklahoma University College of Medicine and Kansas University School of Medicine (both in USA), as well as the University of Cape Town in South Africa.
- Prepared and presented/published a document on the 'Future Needs and Development of the Faculty of Medicine in the 21st Century'. 1995).
- Placed Faculty of Medicine on the Regional map of Commonwealth Health Secretariat (based at Arusha) for harmonization of the M. Med. programs; World Association of Medical Education (WAME) map and its African chapter on medical education.
- Hosted and presided over the key meeting on harmonization of the M.Med programs in the entire East Central and Southern Africa Commonwealth region.
- Redeemed the lost image of Nairobi C. E.U in its relations with INCLEN Inc. and the Rockefeller Foundation.
- 1989-1992, Acted as Dean on a number of occasions

OTHER ACTIVITIES:-

- Provided lectures, supervised **21 dissertations** for M.Med (Surg.) postgraduate students (1981- 2005).
- Trained/produced some 12 specialists for Cardio-thoracic surgery to-date, 2010. On-going.

- **1989-1992:** Chairman Division of Surgery Kenyatta National Hospital/ Faculty of Medicine
- **1979-February, 1988,** Senior Lecturer in Thoracic and Cardiovascular Surgery
- **1988-1999,** Associate Professor in Thoracic and Cardiovascular Surgery.
- **1980-2002:** Head of Thoracic and Cardiovascular Surgical Unit; Department of Surgery, Faculty of Medicine, College of Health Science.
- **January, 1976 - 1988:-** Lecturer, Department of Surgery at Kenyatta National Hospital, University of Nairobi.

OTHER (Training) EXPERIENCES:

- (a) July 1978- December 1978:- **Visiting Lecturer, Senior Resident in Cardio-Vascular and Thoracic (CVT) Surgery.** McGill University, at Montreal General Hospital, Canada
- (b) September 1977- May 1978:- University Hospital of Wales and Llandough Hospital, Cardiff and Penarth; **Senior Registrar in Cardio-Thoracic Surgery and Hon. Lecturer**
- (c) April 1977- august 1977:- Charring cross hospital university, London; **Vascular Surgery**
- (d) October 1976- March 1977:- Guy's Hospital, London. **Cardio- Thoracic Surgery**

MINISTRY OF HEALTH, Kenya:

1972- 1975: Kenyatta National Hospital, **Senior House Officer (SHO)** (Surgery), rotations:- orthopedics, casualty, general surgery, Cardio-thoracic unit, E. N. T., neurosurgery.

B. PUBLISHED CONFERENCE PRESENTATIONS

1. Empyema Thoracic at Kenyatta National Hospital, Nairobi Kenya - Presented to: The 1982 Annual Conference of the Association of Surgeons of East Africa. Published in: The

- Proceedings of the Association of Surgeons of East Africa.
(**Second** author with H.H. Kamdar and three others)
2. Problems of Open Heart Surgery in Developing Countries - Presented to: The International Congress of Cardiology in the Tropics (1983) in Nairobi, Kenya. Published in: Proceedings of the International Congress of Cardiology in the Tropics. (1992).
 3. Experience with Closed Mitral Valvotomy at Kenyatta National Hospital, Nairobi, Kenya - Presented to: International Congress of Cardiology in the Tropics (1983). Published in: Proceedings of the International Congress of Cardiology in the Tropics (1992).
 4. Pulmonary Hydatid Cyst Disease at Kenyatta National Hospital (1973 - 1983), Nairobi, Kenya. Presented to: 1983 Annual Conference of the Association of Surgeons of East Africa. Published in: Proceedings of A.S.E.A. (**Second** author with H.H. Kamdar)
 5. Some Theoretical and Practical Considerations in Cardiac Valve Surgery. Presented to:
 - (a) Annual Scientific Conference of the Kenya Cardiac Society on 3rd March 1984 - Nairobi, Kenya.
 - (b) Annual Scientific Conference of the Zambian Cardiac Society on 30th March, 1984 in Lusaka, Zambia. (Special Guest Lecture). Published in: MEDICOM, The African Journal of Hospital Medicine 6 (4). 114-118, 1983.
 6. Primary Health Care and Cardiological Services - Presented to: First Conference of the Confederation of African Medical Associations and Societies (CAMAS) in Nairobi, September 1983. Published in: MEDICOM, The African Journal of Hospital Medicine 6 (4). 102-105, 1984. (**First** of two authors, with W. Love).

7. Organ Transplant - Presented as Special Guest Lecture to: Kenya National Operating Theatre Nurses Association in 1984 in Nairobi, Kenya. Published in: MEDICOM, The African Journal of Hospital Medicine 6 (4). 121-123, 1984.
8. Not all Wheezers Are Asthmatics. Presented to: 1981 Annual Conference of the Association of Surgeons of East Africa. (A.S.E.A.) Published in: Proceedings of the A.S.E.A. 1981.
9. Experience with Open Heart Operations for Congenital Heart Disease at the Kenyatta National Hospital - Kenya Cardiac Society Annual and Scientific Conference, Nbi, 2000.
10. Inferior Vena caval plication as a prophylaxix against pulmonary embolism. Joint ASEA and Pan African Surgical Society Conference - Nbi 1999.
11. Experience with Open Heart Operations for Congenital Heart Diseases at Kenyatta National Hospital - Kenya Cardiac Society Annual and Scientific Conference, Nairobi, 2000.

C. UNPUBLISHED CONFERENCE PRESENTATIONS

1. An Experience with Open Heart Surgery in Nairobi, Kenya. Presented to: The First Pan African Congress of Cardiology in Badagri, Lagos, Nigeria, May, 1981.
2. Carcinoma of the Oesophagus in Nairobi, Kenya. Presented to: The 1982 Annual Conference of the Association of Surgeons of East Africa.

3. Open Heart Surgery in Nairobi, Kenya. Presented as Special Guest Lecture to: International Cardiovascular Associates Conference in Little Rock, Arkansas, U.S.A./, May, 1984.
4. Health Care Delivery in Kenya - Presented to: International Cardiovascular Associates Conference in Little Rock, Arkansas, May, 1984. (Special Guest Lecture).
5. An experience with "Augmentin" in Lower Respiratory Tract Infections. Presented to: Clinical Drug Trial Symposium in Nairobi, Kenya. 1985.
6. Some Non-Traumatic Vascular Emergencies seen in Nairobi, Kenya. Presented to: 3rd Quadrennial Conference of the Pan African Society of Cardiology (PASCAR) in Dakar, Senegal, April, 1989.
7. The Pattern of Peripheral Vascular Surgery in Kenya as seen at the Kenyatta National Hospital, Nairobi. Presented to: (a) 1992 Annual Conference of the Thoracic and Cardiovascular Surgical Society India in Calcutta, India. February 1992, (b) Joint Conference of Association of Surgeons of East Africa and the International Surgical Society in Nairobi, Kenya, September 1992.

D. MANUALS/BOOKS

1. Pre- and Post-Operative Care and Management of Thoracic and Cardiovascular Patients (1979) (Manual for postgraduate Students and Intensive Care Nurses).
2. Cardiology in the Tropics (Cardiology en Milieu Tropical). Proceedings of the International Congress of Cardiology in the Tropics. (Edited with assistance of Prof. William Lore).

3. Update Medical Directory (1982) - First ever privately-produced directory of doctors and Health Institutions in Kenya.
4. Tobacco versus Health (Editor) - 2004, Update Publishers, Ltd
5. University of Nairobi Forty (40) Years Anniversary book (Editor) -
Completed and ready for publication.
6. Making Sense of Cessation of Smoking - 2010, Update Publishers Ltd
7. Facing Up to Heart Surgery - Ready for Publication (2012-13).

F. SPECIAL AND GUEST LECTURES-----ODHIAMBO P. A

1. **Sexual effects of aorta-iliac reconstructive arterial surgery** - McGill University group, Montreal, Canada, October 1978.
2. **Organ Transplant** - Kenya Theatre Nurses Association Conference, 1984.
3. **Open Heart Surgery in Kenya.**
 - (a) Lion's Club, Nairobi, 1981.
 - (b) Kenya Medical Association, Western Division in Kisumu, October, 1982.
 - (c) Pharmaceutical Society of Kenya Annual Conference, 1984.
 - (d) Rotary Club, Nairobi, 1986.
4. **Ten years of open heart surgery in Kenya** - May, 1984 - Little Rock, Arkansas, U.S.A. to Arkansas Cardiovascular Surgery Associate Conference.
5. **Health Care Delivery in Kenya** - May, 1984, Little Rock, Arkansas, to Arkansas Cardiovascular Associate Conference.
6. **Cardiac Valve Surgery**, Lusaka, Zambia - To Zambian Cardiac Society Conference, March, 1984.

7. **Sequestration of the lung** - To: Montreal General Hospital Ground Round, 1978.
8. **25th Anniversary Seminar of the Association of Professional Societies in East Africa on 5th December, 1986** on the General Theme "Stress and the Professional" Topic: "Stress and the Heart."
9. **Recent Advances in Cardiac Surgery** - To Zambian Cardiac Society Conference, June, 1988.

G. KEY-NOTE ADDRESSES:

1. September, 1991 - To the first and Inaugural Conference of the Surgical Society of Kenya at the Aga Khan Hospital, Nairobi, Kenya. Topic: - **Could There be and should there be Kenyan Surgery?"**
2. September, 1993 - To the Second Conference of the Medical Practitioners and Dentists Board on "Health, Law and Ethics" at the Aga Khan Hospital, Nairobi, Kenya. Topic: - **Quality Health Care."**
3. January 1994 - To Second AFRICLEN* Conference in Suez Canal, Egypt. Topic - "World Development Report, 1993 and Africa."

* AFRICLEN -African Clinical Epidemiology Network. This is the African Regional forum of the International Clinical Epidemiology Network, (INCLEN) whose Smallest Unit is the Clinical Epidemiology Unit (C.E.U.). "INCLEN Inc". "AFRICLEN", "CEUS's and other "CLENS" outside Africa are sponsored and supported by Rockefeller Foundation.

4. October 1995 - To the Annual Conference of Kenya Association of Physicians, (K.A.P). Topic - **Medical Education in Kenya.**
5. October 1997- To Kenya Association Physicians (KAP). **Topic:-** Severe Chest Injuries and their management.
6. June 1998- To C.M. E Seminar of K.A.P. **Topic:-** Lipid Metabolism and the Endothelium.
7. The Challenge of Tobacco Control in Kenya – Kenya Medical Association, 2008. (Mombasa).
8. The Future of Surgery in Kenya – Surgical Society in Kenya, 2009. (Nairobi)
9. Dreams of Yesterday – Kenya Cardiac Society. 26th July, 2011. (Mombasa).
10. From the Farm to the Lungs – Who Benefits From Tobacco? – Centre for Tobacco Control – Africa, and the Kampala-Makerere Consortium. October, 2011. (Kampala, Uganda)

H. MEMORIAL LECTURES:

1. The Late Professor Hilary P. Ojiambo Memorial Lecture – Kenya Cardiac Society.
2. The Late Has Mukh H. Kamdar Memorial Lecture – Kenya Cardiac Society and Kenya Medical Association.
3. The Late Tom A. Ogada Memorial Lecture – mKenya Society of Oncology.
4. The Late Nelson W. Awori, Memorial Letcure - Surgical Society of Kenya.
5. The Late Ambrose E. O. Wasunna Memorial Lecture – Surgical Society of Kenya.

G ARTICLES UNDER PREPARATION FOR PRESS:

1. Double (Cervical and Mediastinal) Thyroid with Goitre and Pressure Symptoms - A Case Report.
2. Pattern of Thoracic and Cardiovascular Problems in Kenya.
3. An Experience with Peripheral Vascular Surgery in Kenya, 1979-1996.
4. A Harvest of Bronchial Carcinoids in Nairobi, Kenya.
5. Carotid Body Tumors.

H. PAMPHLETS UNDER PREPARATION:

"A brief Guide to Fluid Management" (As a manual for junior doctors and nurses).

"Manual of Pre- and Post-Operative Management of the Surgical Patient"

"Facing Up to Heart Surgery – A Handbook for Patients, Counselors and Health Workers"– Ready for printing/publication, 2013.

XIV. SUPERVISED DISSERTATIONS FOR M.MED. (SURG.) POSTGRADUATE CANDIDATES (1981 - 1987)

1. Dr. John Odhiambo Opar – 1981 The Pattern of Chest Trauma (including the diaphragm)
2. Dr. Herbert Ouma Oburra –1981 Empyema thoracic in Kenyatta National Hospital.

3. Dr. Peter N. Omboga -1982. Chronic Constrictive Pericarditis. (A Study of 51 cases at Kenyatta National Hospital)
4. Dr. Benjamin R. Ombito -1986. Portal Hypertension.
5. Dr. Peter O. Agwa – 1987 Penetrating Injuries of the Chest including the heart and the great vessels.
6. Dr. John Wachira K. Some Clinical and Surgical aspects of perforations of the oesophagus.
7. Dr. Kimanthi Kimende Persistent Ductus Arteriosus (PDA) as seen at Kenyatta National Hospital (Five Years Prospective and Retrospective Study, (June 1983 - May 1988)
8. Dr. Onyango J. Opondo – 1989, A study of Vascular Amputations.
9. Dr. Christopher Sinju Motaze (Cameroonian) – 1989, Achalasia of the Cardia and other Benign Lesions of the Oesophagus as seen at the Kenyatta National Hospital between 1974 and 1988
10. Dr. Peter Oduor – 1989 Foreign Bodies in Tracheo-Bronchial tree and Oesophagus at Kenyatta National Hospital.
11. Dr. Christopher Kyambadde (Ugandan) – 1990 Bronchogenic Carcinoma As seen at the Kenyatta National Hospital over a Five Years Period. (1984-1988)
12. Dr. Geoffrey Chege Kibuga 1990 A study of Intra-Abdominal Sepsis with Special Emphasis on Localized abscess Formation At Kenyatta National Hospital. (1st July 1990- 30th Dec)

13. Dr. Johnson Murila - 1991 Mediastinal Trumors.
14. Dr. Kiruhi – 1992- Outcome of surgery in the Treatment of Thoracic Outlet Syndrome as seen at Kenyatta National Hospital
Over a Period of Seventeen Years. (1st Jan 1974- 31st Dec 1990)
15. Dr. Francis H. Thomas (Liberian) – 1993 A study of the pattern of Mitral Valvotomy at Kenyatta National Hospital. A Fifteen (15) Years Retospective Study. (1973- 1990)
16. Dr. Simon O. Ahere – 1995, Lung Abscess. A Medicom - Surgical Problem. (A Ten (10) Years Review of the Clinical Presentation and Management at Kenyatta National Hospital.
17. Dr. Ogonji G. Ayumba – 1996, A Retrospective Study of the Prevalence and Results of Surgical Management of Tetralogy of Fallot (TOF) as seen at Kenyatta National Hospital in the past Fifteen (15) Years. (January 1980- December 1995).
18. Ms. Tabitha Hezron (C/O KMTC)- 1983, Availability of Surgical Suture Materials in Four Government Hospitals in Kenya.
(Diploma in Health Education).
19. Dr. Davidson Maobe - 1996 – 1997, Abdominal Aortic Aneurysms at Kenyatta National Hospital.
20. Presentation, management and outcome of oesophageal stricture - Dr Ochieng, James David, 2000.
21. A review of the management of carotid body tumours - Dr Fred Welch Muleshe, 2003.

XV. ATTENDANCE OF CONFERENCES, WORKSHOPS AND SEMINARS:

1. Annual Conference of the Thoracic and Cardiovascular Society of Great Britain and Ireland - 1977, 1978, 1979, 1982, 1984, 1986, 1988.
2. Multicentre (International) Cardiac Surgery Symposia in London - 1977, 1978, 1979, 1980, 1981.
3. Annual Conference of Association of Surgeons of East Africa - 1975, 1979, 1980, 1981, 1991.
4. American Thoracic Society Annual Conference - New York, May, 1984.
5. Pan Africa Society of Cardiology - (4 Yearly Conferences inaugurated in May, 1981).
6. Pan Africa Society of Cardiology- (1981).
7. Pan Africa Society of Cardiology- (1985).
8. Pan Afrrica Society of Cardiology- (1989)
9. Pan Africa Society of Cardiology- (1993).
10. Kenya Cardiac Society (Registered in 1981) - 1984, 1985, 1986, 1987, 1988, 1989, 1990, 1991, 1996.
11. International Congress of Cardiology in the Tropics - 1983, Nairobi, Kenya.
12. Zambian Cardiac Society - 1984.

13. Joint Conference of the Medical Associations and Societies of Kenya (MASK) - 1990, 1992.
14. Annual Conference of the Thoracic and Cardiovascular Society of India - 1992, Calcutta, India.

16. Commonwealth Regional Health Community Secretariat - Annual Meetings of the East Central and Southern African (ECSA) countries - 1993, 1995. Meetings covered on-going theme of "HARMONIZATION OF THE M.MED. PROGRAMMES" in the ECSA Region.
17. World Association of Medical Education - 2nd Conference on Medical Education in Edinburgh, Scotland, August, 1993. Meeting revisited and expanded the 1988 "Edinburgh Declaration" on Medical Education.
18. African Chapter of the World Association of Medical Education Workshop in Cape Town, South Africa - Culminated in "The Cape Town Declaration" on Medical Education, with particular reference to Africa, April, 1995.
19. 13th World Conference on Tobacco Or Health (WCTOH), July 8 – 15, 2006.
20. March 22nd -23rd, 2007 – Annual Scientific Conference of the Surgical Society of Kenya.
21. April, 2008 – Kenya Cardiac Society Annual Scientific Conference.

22. May, 2008 - Surgical Society of Kenya (SSK) Annual General and Scientific Conference.

23. November, 2012 – WHO's 5th CONFERENCE OF PARTIES (COP-5) on Tobacco Control, Seoul, South Korea.

XVI. TRAINING OF HIGH LEVEL KENYAN MANPOWER

1. Trained and/or facilitated training of twelve (12) young heart surgeons in Kenya.

XVII. ON GOING RESEARCH PROJECTS

1. Surgical TB at Kenyatta National Hospital.

2. Comparative clinical studies of bioprosthetic and mechanical heart valves at Kenyatta National Hospital, Nairobi.

3. Effects of trauma on limb venous blood flow.

4. Lipid profiles in patients with peripheral vascular problems.

5. Carcinoma of the oesophagus - multi-disciplinary approach to the problem of aetiology.

XVIII. MEMORIAL LECTURES AND OBITUARIES:

1997 - Kenya Medical Association (KMA) Dr Hasmukh Kamdar Memorial Lecture, Nairobi: **"The Future Is Here - His Journey With Open Heart Surgery in Kenya"**.

1999 - KMA Hilary P. W. Ojiambo Memorial Lecture, Kisumu :
“Concept of Evidence-Based Medicine versus Scientific Basis of Medicine”.

2000 - Kenya Cancer Society Professor Edward G. Kasili Memorial Lecture (Nairobi): **“Early Detection of Lung Cancer”**.

2004 - Kenya Society of Oncology (KESHO) Professor Tom A. Ogada Memorial Lecture, Nairobi: **“Immunology and Cardiac Tumours”**.

March, 2007 - Surgical Society of Kenya (SSK) 6th Professor Nelson Awori Memorial Lecture, Nairobi: **“ The Future of Surgery and Surgical Practice in Kenya”**

2009 - (Obituary): Surgical Society of Kenya journal - **“Professor Ambrose E.O. Wasunna – The Giant Falls”**.

22nd April, 2010 - Kenya Medical Association (KMA) Annual Conference, Kisumu: : **Professor Ambrose E.O. Wasunna Memorial Lecture – “Who or What is a Professional?: The ‘Five-Star’ Individual”**

XIX. COUNSELS AND TIT-BITS TO STUDENTS AND STAFF (As Ag. Chairman of Surgery 1989-1990, and as Dean, Faculty (School) of Medicine, 1992-1996):

1990 - Tit-bits On How to Face Examinations: **“Did You Pass the Examination Before or After Sitting?”**.

1993 - **“Campus Life and Borrowed Wisdom”** – Orientation Talk to First Year Medical, Dental Pharmacy and Nursing Students.

1994 - **“Dean’s Tit-bits on How to Appear at Appointment and Promotion Interviews at the University of Nairobi”**.

N.B. TEXTS OF "XIX" ABOVE AVAILABLE.
