

## **Immortality**

*Peter Wasamba*

So  
The bard  
Fresh anthems still creates

Sing to me  
Anthems of elegance  
Simplicity, novelty and truth

Anthems  
That touch  
Teach and turn

Anthems  
That melt down  
All barriers to harmony and progress

Anthems  
That make  
Dreams reality

Anthems  
That shower us  
With joy immortal.
