

## **Storm**

*Peter Wasamba*

In the storm  
Striving and praying and waiting  
Disgraced and thwarted waiting for waiting  
I complain, and curse and fight and fail and fall  
Confused

A castaway hollow  
I would in hell salvation seek  
Strangely a mother's captive I stick  
Waiting for the scarlet storm dejected, twisted  
Hollow.

**October 2003**
