

Francis Mwaura
PhD, MSc, B.Sc
Environmental Safeguards & NRM Consultant

PERSONAL INFORMATION

Surname(s) / First name(s)	Mwaura Francis
Contacts	Department of Geography & Environmental Studies Hylop Bld (Level 3) Office 307A P.O. Box 79972-00200, University Way, Nairobi, KENYA (https://geography.uonbi.ac.ke) Office: (+254-020) 3318262 Ext. 28016/28182 & +254-0722 369 133; Mobile: (+254) 0722-90 64 60 mwauraf@uonbi.ac.ke or francismwaura2013@gmail.com
Nationality/Gender	Kenyan/Male
Date of birth	26th July 1962
Current status	Associate Professor- Researcher /Consultant Habitat Planners/ENRM Associates, Nairobi, Kenya
Education	PhD, M.Sc & B.Sc

Educational qualifications

1995 – 2004	PhD (Biogeography) Doctoral research - Limnogeography and utilization of small high-altitude tropical man-made reservoirs in Eastern Rift Valley, Kenya Institution - University of Nairobi
1987 – 1992	M.Sc (Biogeography) M.Sc. research - Hydrochemistry, lake level and vegetation dynamics in the Lake Elementaita Basin, Kenya Institutions - University of Nairobi, Kenya & McGill University, Canada
1984 - 1987	B.Sc (Geography, Botany & Zoology) B.Sc research – Factors affecting inland fisheries in Kenya: A case study of Lake Naivasha, Kenya Institution - University of Nairobi

Short-term training

2023	International SOS (iSOS - Singapore) HEAT training and certification on Personal Travel Security Awareness			
2020	INASP (UK) training and certification on Editorial Processes for Journal editors			
2001	ILEC/UNEP International Training on Environmental Modeling, 17 th -18 th November, ILEC Secretariat, Kusatsu Japan			
1993	ILEC/UNEP International Training on Limnological Bases of Lake Management, 24th May–5th June 1993, Balaton Limnological institute (BRI) of the of the Hungarian Academy of Sciences, Tihany, Hungary			
Language skills (1 - excellent; 5 - basic)	Language	Reading	Speaking	Writing
	English	1	1	1
	Kiswahili	1	1	1

MEMBERSHIPS OF PROFESSIONAL BODIES

Currently: 1. Africa Nature People for Nature (P4N) 2. Eastern Africa Population, Health and Environment (PHE) Network 3. Environment Institute of Kenya (EIK) 4. Heritage Conservation and Human Rights (HCHR) Network	Previously: 1. International Biogeography Society (IBS) 2. International Association of Hydrogeologists (IAH) 3. International Water History Association (IWHA)

ACADEMIC RESEARCH SUPERVISION AND THESES EXAMINATION

PhD (Completed)	<ol style="list-style-type: none"> 1. Thandiwe Chikomo – Zimbabwe (2014): Community based environmental indicators for biodiversity management in wetland IBAs of Kenya, (Environmental Planning & Management) University of Nairobi 2. Rose Sirali Antipa (2015): Biodiversity status and indigenous knowledge in conserving Boni Forest, Garissa County, North Eastern Kenya, (Environmental Planning & Management) University of Nairobi 3. Parita Shah (2016): Domestication and application of biodiversity related multilateral environmental agreements (MEAs) in Kenya, (Biogeography) University of Nairobi 4. David Owino Manoa (2023): Wildlife and people interface: an analysis of opportunity, transaction and health costs of human-wildlife conflict in Amboseli and Mt. Kenya ecosystems (Biodiversity & NRM), University of Nairobi
Masters (Completed)	<ol style="list-style-type: none"> 1. Jamila I. Abdullahi (2024) - Assessment of the local perception on the consumptive wildlife utilization in Olgulului group ranch, Amboseli region, Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi. 2. Kabaka Lily Misheto (2023) - Assessment of the effects of land use land cover changes on habitat utilisation of Colobus guereza caudatus in Kitobo forest, Taita Taveta County, Kenya. M.A. (Environmental Planning and Management), University of Nairobi. 3. Nyaga Edwin Mureithi (2022) - Compliance assessment for safety and health measures in a geothermal development company: a case study of Baringo-Silali geothermal drilling sites, Nakuru County. M.A. (Environmental Planning and Management), University of Nairobi. 4. Njoki Moses Ndarua (2022) - Linkages between Mount Kenya glacier recession, water supply and community livelihoods - an assessment of public perception in Nyeri and Laikipia Counties, Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi. 5. Bubicha Mohammed Jaldessa (2020) - Economic valuation of consumptive watershed services: a case study of Mount Marsabit ecosystem, Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi. 6. Otieno Kashim Oginga (2020) - Geographic distribution and identification of pathways of interactions of tilapiine species between natural and aquaculture systems in Upper Tana River Basin, Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi. 7. Lunalo Cletus Lunalo (2020) - A contingent valuation of air purification and temperature moderation services of urban greenspaces: a case study of Uhuru Park, Nairobi Arboretum, and City Park Greenspaces in Nairobi City. (Biodiversity and Natural Resources Management), University of Nairobi. 8. Osuman G. Kiazolu (2019) - An assessment of the public level of knowledge, attitudes and perception toward mangrove forests conservation: a case study of Mesurado Wetland, Liberia. M.A. (Biodiversity and Natural Resources Management), University of Nairobi. 9. Gituanja George Gachie (2019) - Effects of Land Use and Land Cover on Water Quality and Benthic Macroinvertebrates in Theta River Catchment. M.A. (Environmental Planning and Management), University of Nairobi. 10. Mary Waithiegei Githinji (2017) - A study of landcover, landuse and water quality along the upper altitudinal gradient of the upper Likii River, Laikipia County. M.A. (Environmental Planning and Management), University of Nairobi 11. John Sikanga Maniafu (2017) - Economic Valuation of Watershed Environmental Services of Kimana Wetland, Kajiado County, Kenya. M.A. (Environmental Planning and Management), University of Nairobi 12. Hassan Abdirizak Ahmed (2017) - Economic valuation of coastal and mangrove associated fisheries, Kwale County, Kenya. M.A. (Environmental Planning and Management), University of Nairobi

13. Juma Mandela (2017) - Climate change adaptation strategies for water supply, food security and bioenergy in Kasigau Region, Voi County. M.A. (Environmental Planning and Management), University of Nairobi
14. Agnes Wambui Mbugua (2016) - Biotechnology and food security in Kenya - An assessment of public perception and environmental concerns. M.A. (Environmental Planning and Management), University of Nairobi
15. Othniel Mwambili (2015) - An assessment of the environmental impacts on canalization on water quality and birdlife in Lake Naivasha. M.A. (Environmental Planning and Management), University of Nairobi
16. Judith Khayeli Sembe (2015) – An ecological assessment of the Rothschild Giraffe in Giraffe Centre Sanctuary, Nairobi, Kenya (Environmental Planning and Management), University of Nairobi
17. Deogratias Landislaus Lihepanyama (Tanzania) (2015) – Ecology of Lesser Flamingoes in the Momella Lakes in Arusha National Park, Tanzania. M.Sc (Biology of Conservation), University of Nairobi
18. Larry Liza (2015) - E-waste disposal in Kenya – A case of mobile phone waste disposal in Lang'ata area, Nairobi, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
19. David Owino Manoa (2015) - Assessment of predator-proof bomas as a tool for mitigating conflict with carnivores in human-dominated landscape of Loitokitok Sub-county. M.A. (Environmental Planning and Management), University of Nairobi
20. Laura Makahambera (Malawi) (2014) – The social and ecological impact of plant invasive species on Mulanje Forest Reserve (MMFR) in Southern Malawi. M.A. (Environmental Planning and Management), University of Nairobi
21. Judyth Kanyi (2014) – Factors determining compliance of environmental legislation and standards: A case study of retail filling stations in Thika Municipality, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
22. Everlyne Atieno Othigo (2014) – Environmental audit of a Health Facility – The Mater Hospital in Nairobi, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
23. Wangari Kirumba (2014) – Domestication of the United Nations Framework Convention on Climate Change (UNFCCC) in Kenya. M.A. (Environmental Planning and Management), University of Nairobi
24. Dorothy Masiga Syallow (2013) – The role of community conservancy in wildlife conservation within Masai Mara Ecosystems: A case study of Enoonkishu Conservancy, Narok South. M.A. (Environmental Planning and Management), University of Nairobi
25. James Muturi Thongo (2013) - Environmental impacts of the Dagoretti Market abattoirs in Kikuyu Division. M.A. (Environmental Planning and Management), University of Nairobi
26. Austin Uduogu Okezie Denis – Ghana/Finland (2012) – Impacts of irrigated legume-based cropping on rhizobia diversity, insect pollinators and soil seed bank in a rangeland ecosystem, Kajiado District, Kenya. M.A. (Biodiversity & Ecosystems Management), University of Nairobi
27. Julius W. Kamau (2011) – An evaluation of the prospects of integrating climate change adaptation into environmental impact assessment process in Kenya. M.A. (Environmental Planning and Management), University of Nairobi
28. Martha Nziza Munyao (2010) - A comparative environmental risk assessment of Lake Nakuru National Park and Nairobi National Park. M.A. (Environmental Planning and Management), University of Nairobi
29. Joel Makokha Wamalwa (2009): Environmental audit of livestock production systems in Migori District, Nyanza Province. M.A. (Environmental Planning and Management), University of Nairobi
30. Ngumbi Emmanuel Ivalya (2009): Local communities and wildlife interactions, the case study of Kitengela wildlife dispersal area of Nairobi National Park. M.A. (Environmental Planning and Management), University of Nairobi

31. Joseph Namakara (2009): Poverty-biodiversity nexus: A case study of Mukogodo Forest, Laikipia District, Kenya. MA. (Biogeography), University of Nairobi
32. Parita Shah (2008): Environmental audit of an educational institution: A case study of Visa Oshwal Academy, Nairobi Kenya. M.A. (Environmental Planning and Management), University of Nairobi
33. Angeline Wanjiru Mwangi (2007): Successes and challenges of the environmental auditing process in Kenya: A perspective of the lead experts. M.A. (Environmental Planning and Management), University of Nairobi
34. Kenneth Murimi Mwathe (2007): The nature, economic costs and management strategies for human-wildlife conflicts in Magadi area, South Rift Kenya. M.A. (Environmental Planning and Management), University of Nairobi
35. James Ndungu (2006): Economic valuation of ecosystem services in Shompole wetland, South Ewaso Ng'iro River, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
36. Esther Kathure Magambo (2006): Impacts of a degraded dryland riverine ecosystem on livelihoods: A case study of Kaketa in Kilome Division of Makueni District. M.A. (Environmental Planning and Management), University of Nairobi
37. Jackson Mugambi M'ribu (2006): A study of waste management approaches in tea processing factories: A case study of small holder tea factories in Kenya. M.A. (Environmental Planning and Management), University of Nairobi
38. Godana Ramat (2006): The trend and impacts of forest resources utilization on Marsabit Mountain Ecosystem. M.A. (Environmental Planning and Management), University of Nairobi
39. Victor Joseph Otieno Ikawa (2006): The dispersion and control of domestic biodiversity in Nairobi: A GIS project. M.A. (Environmental Planning and Management), University of Nairobi
40. David Ombisi Ambuchi (2006): Plastic waste management in Kenya: An evaluation of policies and regulations on plastic bags and plastic bottles in Nairobi. M.A. (Environmental Planning and Management), University of Nairobi
41. Librata Nekesa Muhata (2005): Economic valuation of wetland ecosystems: A case study of Ondiri Swamp in Kiambu, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
42. Gathuru Mburu (2005): An assessment of the impact of relic forests on urban greening in the City of Nairobi, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
43. Henry Mwaura Kinuthia (2005): The total economic valuation of natural resources: Perceived community livelihood values of Mukogodo Forest, Laikipia, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
44. Michael Arunga Obare (2005): GIS simulation of settlement and urban expansion in the Kitengela Wildlife Dispersal Area. M.A. (Environmental Planning and Management), University of Nairobi
45. Mary Waceke Thongoh Muia (2005): A study of Used Oil Management: A Case Study of Nairobi City – Kenya. M.A. (Environmental Planning and Management), University of Nairobi
46. Jamila Mohammed (2005): Environmental Impacts of Disasters: A Case Study of a Burst Reservoir in Kiambu, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
47. Kennedy John Malii (2004): The Vegetation and Environmental Dynamics around a Small Rural Water Supply Reservoir, Maomokeni Kitui District, Kenya. M.Sc. (Biogeography), University of Nairobi
48. Alice N. Ngugi (2003): A Water Quality, Biodiversity Assessment and Community Perception Analysis of Rungiri Reservoir, Kikuyu, Kenya. M.A. (Environmental Planning and Management), University of Nairobi
49. Henrik Mosen – Sweden (2002) Mapping of toxin generating algae in water holes in Kenya – A medicine-ecology preliminary study. School of Engineering, Kristianstad University, Sweden. B.Sc. project research co-supervised with Dr. Helene Annadotter of Kristianstad University, Sweden.

	<p>50. Jenny Bengtsson – Sweden (2002): Mapping of toxin generating algae in water holes in Kenya – A medicine-ecology preliminary study. School of Engineering, Kristianstad University, Sweden. B.Sc. project research co-supervised with Dr. Helene Annadotter of Kristianstad University, Sweden</p> <p>51. Margaret Wachu Gichuhi (2002): The Assessment of the Impact of Anthropogenic Activities on the Migratory Corridors of Nairobi National Park: A Geographic Information Systems Approach. M.A. (Environmental Planning and Management), University of Nairobi</p> <p>52. Thuita Thenya (1997): Some Ecological Aspects, Bio-economic Values and Human Impacts of a Tropical Papyrus Wetland, Ewaso Narok Swamp, Laikipia Kenya. M.Sc. (Biogeography), University of Nairobi</p>
Masters (On-going supervision)	<p>1. Melton Melita Konchellah (2022) - An assessment of the impacts of land subdivision on human-lion interactions in Olgulului group ranch Amboseli, Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi.</p> <p>2. Halima Hassan (2021) - Assessment of public and institutions perception of the potential impacts of consumptive wildlife utilization on biodiversity conservation in the northern rangeland region, Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi.</p> <p>3. Brenda Nkirote Kinyua (2021) - Challenges facing community natural resource based project acceptance in Kenya. a case of Itabua-Muthatari community water project in Embu County, M.A. (Environmental Planning and Management), University of Nairobi.</p> <p>4. Humphrey Mutai Muthomi (2020) - Role of wildlife conservancies in mitigating ecological crimes in the Masai Mara ecosystem, Narok County, Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi.</p> <p>5. Ntayia Lema Langas (2019) - Regulated game hunting for sustainable wildlife conservation and management. a case of Maasai Mara ecosystem. M.A. (Biodiversity and Natural Resources Management), University of Nairobi.</p> <p>6. Ombong'i Erick (2019) - Economic valuation of forest ecosystems; case study of Nyangweta forest, Kisii County, Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi.</p> <p>7. Matthew Muruana Wachira (2018) - Population viability analysis of Nubian giraffe in Kenya: Assessment of <i>Nubian Giraffee</i> conservation dynamics and its effect on demographic structure in Kenya. M.A. (Biodiversity and Natural Resources Management), University of Nairobi.</p> <p>8. Antonella Faiza Leparmarail (2017) - The role of community conservancies in the management of natural resources and its impact on livelihoods: a case study of Sera wildlife conservancy, Samburu County. M.A. (Environmental Planning and Management), University of Nairobi.</p> <p>9. Geoffrey Ochieng Wasonga (2015): Environmental impacts of lake level rise in Lake Nakuru National Park. M.A. (Environmental Planning and Management), University of Nairobi</p> <p>10. Zachariah Mwambi Nyang'ara (2014) – Tree species analysis in the conservation and management of urban green environments: A case study of the City of Nairobi, Kenya. M.Sc (Biology of Conservation), University of Nairobi.</p> <p>11. Samuel Gathu Mbugua (2013) - Social - economic benefits and environmental impacts of the construction and operation of the Mang'u-Thika East power transmission line. M.A. (Environmental Planning and Management), University of Nairobi.</p> <p>12. Moses Ziro (2012) – An economic valuation of wetlands – A comparison of Njoro Kubwa and Njoro Mata Springs in the Lake Jipe Basin, Taveta County. M.A. (Environmental Planning and Management), University of Nairobi.</p>
PhD theses examination	<p>Ph.Ds students examined either as External Examiner, Internal Examiner or Examination Board Member – 12</p> <p>1. 2024: Deogratias Lihepanyama, Human activities – a possible cause of cyanobacteria blooms affecting lesser flamingo (<i>Phoeniconaias minor</i>) population in Momella Lakes, Tanzania, Nelson Mandela African Institution of Science and Technology.</p>

CONSULTING EXPERIENCE

TIME	LOCATION	ORGANIZATION/REFERENCE CONTACTS	POSITION	DESCRIPTION	SECTOR
Dec 2024/ Jan 2025	Somaliland, Salanxley District, Maroodijex Region	Euroconsult Mott MacDonald International/ Somaliland Development Fund – SDF; SDF Fund Manager, Email: anthony.njue@sdf-secretariat.org	Environmental expert	Environmental Feasibility Assessment of Qool Caday Livestock Holding Ground and Quarantine Centre - 10x10km LHG (comprising LHG fencing and related infrastructure, offices and related infrastructure, water supply and energy supply, animal husbandry and health facilities, fodder production demonstration farms) for livestock health services, fodder production, water services and training of livestock producers	Environmental feasibility
Apr-May 2024	Kajiado County, Southern Kenya	WWF (Kenya), Dr. Martin Mulama (SOKNOT Coordinator, mmulama@wwfkenya.org	Restoration expert	Preparation of participatory riparian zone restoration strategy and action plan for Kimana and Nolturesh rivers and associated springs in Amboseli region, Southern Kenya	Environmental restoration
2024	COMESA Region (Burundi, Comoros, Democratic Republic of the Congo, Djibouti, Egypt, Eritrea, Ethiopia, Kenya, Libya, Madagascar, Malawi, Mauritius, Rwanda, Seychelles, Sudan, Swaziland, Uganda, Zambia, and Zimbabwe)	Office of the Secretary General Common Market for Eastern and Southern Africa, Ben Bella Road, PO Box 30051, Lusaka, ZAMBIA Attention - EMwimba@comesa.int Or NChokwe@comesa.int	ESSF Expert	Preparation of an Environmental and Social Safeguards Framework (ESSF) for the Pharmaceutical Industry in COMESA Region to support the implementation of the AU Pharmaceutical Manufacturing Plan for Africa (PMPA)	Environmental safeguards
2023	Somaliland – Waqoyi Galbed, Region (Hargeisha, City)	BMB Mott MacDonald International/ Somaliland Development Fund – SDF; SDF Fund Manager, Email: anthony.njue@sdf-secretariat.org , Skype: tonnynjue;	ESIA Expert	ESIA for Hargeisa Water Agency (HWA) Lasdhure Water Supply Project, City of Hargeisa involving:- a) drilling and equipping of boreholes in Lasdhure aquifer with solar powered systems, ecofriendly low-carbon water pumping, b) connecting of boreholes to the New Geed Deeble municipal pumping station, c) installation of pipelines in Laasdhure and Hora Hadley wellfield. The project will abstract and deliver an additional 4,000m ³ of water to the City of Hargeisa and benefit approximately 154,000 people with upto 26 litres/person/day) as part of Hargeisa Water Supply Master Plan goals and targets	Water supply

2023	Somaliland – Awdal Region (Borama Town)	BMB Mott MacDonald International/ Somaliland Development Fund – SDF; SDF Fund Manager, Email: anthony.njue@sdf-secretariat.org , Skype: tonnynjue;	ESIA Expert	ESIA for the Ministry of water resources Development Afraaga Water Supply Project, Borama Town involving:- a) drilling and equipping of boreholes in Afraaga basin, b) connecting the boreholes to the existing pipeline network, c) construction of 500 m3 water storage (sump) tank at Serraka booster station and d) construction of a solar powered mini grid system to provide alternative green energy for the booster station. The project will benefit approximately an additional 45,000 residents of Borama town	Water supply
2023	Kenya	World Bank/WWF Germany Johannes Kirchgatter Program Officer Southern & Eastern Africa WWF Deutschland Reinhardtstr. 18, 10117 Berlin Tel: +49 (0)30 311 777 267 (johannes.kirchgatter@wwf.de)	Environment and NRM expert	Finalization of the National Landscape and Ecosystem Restoration Strategy 2022-2032 for the Ministry of Environment, Climate Change and Forestry (Kenya)	Landscape/Ecosystem Restoration
2023	Kimana area in Amboseli Region, Southern Kenya	Big Life Foundation (International) Reference Contact: Richard Bonham benson@biglife.com	SEA expert	Strategic Environmental Assessment of the of the ALOCA Conservancy Management Plan 2016-2026, Kimana Wildlife Corridor, Kajiado County	Environment
2023	Kilifi County (South Coast, Kenya	Joyce Lagat Project Coordinator Africa Sustainable Investment & Infrastructure (ASI) Programme WWF-Kenya jlakat@wwfkenya.org	SEA expert	Strategic environmental assessment (Scoping SEA) for the Kilifi County Spatial Plan (CSP 2021-2030)	Environment
Nov 2021- Jan 2022	Kenya Coast	Dr Asma Awadh Manager, WWF-Kenya Coastal Kenya Program Kwit Cottages Rd, Diani Beach aawadh@wwfkenya.org	NbS Expert	Developing/scaling up Nature-based Solutions (NbS) related interventions in the Coastal Kenya programme (CKP) sea/landscape to inform an upcoming DANIDA Strategic Partnership Agreement programme and any other interventions within the sea/landscape. The screening of NbS involved pre-screening to identify and prioritize key ecosystems, stakeholders consultations to identify societal challenges, and develop appropriate NbS to address identified societal challenges. The IUCN NbS Self-Assessment Tool was used to determine whether identified interventions meet the IUCN NbS Standard. The screening results, coupled with training workshops will support greater	NbS

				appreciation of NbS concept by WWF Kenya and her local partners, improvement of the Coastal Kenya Programmes' Conservation Action Plan and the development of high quality NbS to address societal challenges affecting coastal communities whilst scaling and sustaining these projects over time	
2022	Mbirikani and Eselenkei Group Ranches, Kajiado County (Loitokitok)	Big Life Foundation (International) Reference Contact: Richard Bonham richard@biglife.org	SEA expert	Strategic Environmental Assessment of the Mbirikani and Eselenkei Group Ranch Landuse and Subdivision Plan, Kajiado South Sub-County, Kajiado County	Environment
2021	15 counties in Western, Nyanya, Central and Rift Valley regions of Kenya (Homa Bay, Migori, Kakamega, Kirinyaga, Meru, Tharaka Nithi, Kisii, Kisumu, Siaya, Busia, Embu, Kiambu, Machakos and Kajiado)	Dr. Isaac Wafula Wamalwa Deputy Programme Coordinator GoK/IFAD Aquaculture Business Development Programme (ABDP) Ministry of Agriculture, Livestock, Fisheries and the Cooperative State Departments for Fisheries, Aquaculture and the Blue Economy Info@abdpcu.org	Environment and NRM expert	Development of an Environmental and Social Management Framework (ESFM) for the GoK/IFAD Aquaculture Business Development Programme (ABDP) in Kenya	Environment
2021	Kenya & Tanzania	Johannes Kirchgatter Program Officer Southern & Eastern Africa WWF Deutschland Reinhardtstr. 18, 10117 Berlin Tel: +49 (0)30 311 777 267 (johannes.kirchgatter@wwf.de)	E&S Risk Assessment expert	Feasibility study for the WWF-Deutschland transboundary corridor and integrated landscape project for Kenya and Tanzania (BMZ-III Unganisha Project)	Transboundary wildlife conservation & management
2021	Lake Naivasha Basin	Thomas Maina Project Manager Naivasha-Aberdares Landscape WWF-Kenya tmaina@wwfkenya.org	E&S Risk Assessment expert	Environmental and Social (E&S) Risk Assessment for the WWF Deutschland FLR project in the upper Lake Naivasha Basin in Nyandarua County, Kenya implemented by WWF-Kenya,	Landscape Restoration
2021	East Africa	East African Community (EAC) Mr. Jean Baptiste Havugimana Director of Productive Sectors East African Community (EAC) P.O. Box 1096 Arusha, Tanzania. Tel.: (255) 27-2162 100 Email: snjuru@eachq.org	Biodiversity expert	Development of a Regional Biodiversity Strategy and Action Plan (RBSAP) for EAC Member States	Biodiversity

2020	Embu & Taita Taveta Counties	National Environment Management Authority (NEMA-Kenya) Deputy Director, Environmental Planning and Research Coordination, nzavi2001@yahoo.com	Team Leader	Identification of Environmentally Significant Areas (ESAs) in Embu and Taita Taveta counties	Environment
2019	Southern Kenya & Northern Tanzania	WWF (Kenya), Dr. Martin Mulama (SOKNOT) Coordinator, mmulama@wwfkenya.org	Associate Consultant (Governance)	Scoping study of land use and governance situation for the proposed Southern Kenya and Northern Tanzania (SOKNOT) Transboundary Community Conservation Programme	Transboundary wildlife conservation & management
2019	Nyeri County	Chief Officer, Department of Lands, Housing and Physical Planning, County Government of Nyeri	ESIA Expert/Team Leader	Environmental Impact Assessment on the Proposed Transport Termini of Asian Quarter (Bus station, Modern Stalls, Business Park & Social Amenities by Nyeri County Government	Urban transport
2018	Turkana County	Simon Wandeto, Head of Safety Health and Environment (SHE), ATKINS, Muthangari Drive, off Waiyaki Way, Westlands. P. O. Box 30156 - 00100 Nairobi, Kenya Simon.Wandeto@atkinsglobal.com	ESIA Expert	Environmental Impact Assessment of the Proposed Improvement of the Existing Lopii-Lokori-Elelea (50km) Road & New Construction of Elelea-Kokoit-Barrier (70km) Road for Olsuswa Energy Ltd	Road Construction
2018	Kenya	Juliana Tek – Oriedo, Head of Audit and Compliance, Environment, Health and Safety, SGS Kenya Ltd, Victoria Towers, 3rd Floor, Upper Hill, Kilimanjaro Ave, P.O. Box 72118, 00200 – Nairobi; Phone: +254 20 273 3690; Juliana.Tek@sgs.com	SEA Expert	PPP analysis for the Kenya Nuclear Electricity Board (KNEB) Strategic Environmental and Social Assessment report (SESA) for the proposed nuclear power programme in Kenya	Nuclear Energy
2018	Nakuru County	CEO, RAIMDF Ltd, P.O. Box 19500-20100, Nakuru, KENYA	ESIA Expert	Environmental Impact Assessment proposed construction of the medium density fibre board (RAIMDF) factory in Visoi Ward, Rongai, Nakuru County	Wood processing
2017	Bomet County	National Water Conservation and Pipeline Corporation (NWPCPC); Sophie Gathii, Safe Environment	ESIA Expert	ESIA for the proposed construction of Bosto Dam by the National Water Conservation and Pipeline Corporation (NWPCPC) in- as part of Safe Environment Consultants	Large dam Construction
2017	Webuye Town, Bungoma County	Pan African Paper Mills 2015 Ltd; P.A. Savarimuthu, 0775621651, pa.savarimuthu@raisugar.com	Lead ESIA Expert & Team Leader	Recommissioning EIA for the Pan African Paper Mills in Webuye Town, Bungoma County	Manufacturing
2017	Kenya	UNDP-Kenya; David N. Githaiga, Team Leader, Energy, Environment & Climate Change; david.gitahiga@undp.org	Lead SEA Expert & Team Leader -	Strategic environmental assessment (SEA) for the mining sector in Kenya	Mining

2017	Nakuru, Narok & Bomet Counties	Kenya Rural Roads Authority; Sophie Gathii, Safe Environment	ESIA Expert	ESIA for the proposed construction of Mauche-Bombo-Olenguruone-Kiptagich- Silibwet road project in Nakuru County, Narok County & Bomet County for KeRRA as part of Supporting SafeEnvironment Consultants	Road Construction
2016	Nakuru County	Timsales Company Ltd; Timsales CEO, Nairobi (0728055421)	Lead ESIA Expert & Team Leader	ESIA for the proposed construction of a particle board plant in the Timsales Timber Factory, Elburgon, Nakuru County	Wood processing
2016	Bungoma County	West Kenya Sugar Company; P.A. Savarimuthu, Project Executive, +254 (0775) 621651, process@wksugar.com	Lead ESIA Expert & Team Leader	ESIA for the proposed construction of a cane sugar factory in Lungai Village, Naitiri Location, Bungoma County	Sugar milling
2016	Kajiado, Nairobi, Kiambu, Nakuru & Narok Counties	Kenya Railways Company/ China Communications Construction Company Limited 版权所有; Kenya Railways Managing Director (0722202020)	ESIA Expert	Environmental and Social Impact Assessment for the Kenya Railway Corporation (KRC) Standard Gauge Railway (SGR) Project (Phase 2A) from Nairobi South Railway Station-Naivasha Industrial Park-Enosupukia, Narok	Standard Gauge Railway Construction
2016	International	Department of Nuclear Energy, International Atomic Energy Agency (IAEA), Manuel Welch, Manuel.Welsch@iaea.org	Africa SEA Expert	Developing Guidelines for Conducting Strategic Environmental for Assessments for Nuclear Power programmes in the IAEA member Countries	Nuclear energy
2015	Nakuru County	Philip Barasa Environmental Officer; Kenya Electricity Generating Company – KENGEN; Email: pbaraza@kengen.co.ke Website: www.kengen.co.ke	Environmental Audit Expert - as part of Howard Humphreys East Africa	Initial environmental audit for KenGen Geothermal Power Installations in Olkaria (Naivasha Sub-county) and Eburru (Gilgil Sub-county) – Olkaria Wellhead Generators OW043, OW914, OW915, Eburru Wellhead Generator, 80-Well-Drilling Programme, Olkaria Geothermal Spa, Olkaria Material Quarry and Eburru Material Quarry	Geothermal Energy
2015	Samburu County	African Wildlife Foundation (AWF); Fiesta Warinwa, AWF Country Director, 0726380685, email - fwarinwa@awf.org	Ecosystem Service Expert	Analysis of ecosystem watershed service for the Kirisia forest and development of participatory water resources management tools in Samburu County	Ecosystem Watershed Services
2015	Makueni, Kajiado & Taita Taveta Counties	African Wildlife Foundation (AWF); Fiesta Warinwa, AWF Country Director, 0726380685, email - fwarinwa@awf.org	Ecosystem Service Expert	Analysis of ecosystem watershed service for the Chyulu Hills and development of participatory water resources management tools in Makueni, Kajiado and Taita Taveta Counties	Ecosystem Watershed Services

2014	Somaliland – Waqoyi Galbed, Sanaag & Sahil Regions (Hargeisha, Berbera, Burco, Mait, Xiss, Ongor towns)	Price Waterhouse Coppers (Pwc Kenya)/Somaliland Development Fund - SDF; CEO, PWc Kenya/SDF Fund Manager, Email: anthony.njue@sdf-secretariat.org , Skype: tonnynjue;	Short-term International Expert (STie) – Environmental Feasibility Expert	Environmental feasibility assessment for the fish production capacity building in Somaliland (Gulf of Aden fishing ports of Berbera, Mayth, Heis, Shalaw & Ongor for the Ministry of Fishery and Marine Resources and Somaliland Development Fund (SDF)	Environmental Feasibility Expert, Coastal and marine fishery development
2014	Somaliland – Waqoyi Galbed, Region (Hargeisha, City)	BMB Mott MacDonald International/ Somaliland Development Fund – SDF; SDF Fund Manager, Email: anthony.njue@sdf-secretariat.org , Skype: tonnynjue;	Short-term International Expert (STie) – ESIA Expert	ESIA for the Hora Hadley and Xaraf-Ayah 1&2 Water Project in the City of Hargeysa by the Hargeysa Water Agency (HWA) on behalf of the Government of Somaliland (GoSL) and funding by Somaliland Development Fund (DfID, DANIDA & Norwegian Government) for BMB Mott MacDonald International	Water Project
2014	Somaliland – Waqoyi Galbed, & Togdheer, Regions (Hargeisha, Berbera, Sheikh towns)	BMB Mott MacDonald International/ Somaliland Development Fund – SDF; SDF Fund Manager, Email: anthony.njue@sdf-secretariat.org , Skype: tonnynjue;	Short-term International Expert (STie) – ESIA Expert	ESIA for the Hargeysa-Berbera-Sheikh Road Rehabilitation Project by the Road Development Agency on behalf of the Government of Somaliland (GoSL) and funding by Somaliland Development Fund (DfID, DANIDA & Norwegian Government) for BMB Mott MacDonald International	Road construction
2014	Kiambu County/Nairobi City	Howard Humphreys EA Ltd; Simon Wandeto, Swandeto@howardhumphreys.co.ke	Lead SEA Expert	Strategic Environmental and Social Assessment for the Proposed Northlands Urban Master plan in Kiambu County Kenya as part of Howard Humphreys East Africa – Plan SEA	Urban development
2014	Kisumu County	Kisumu County Government; Sophie Gathii, Safe Environment	ESIA Expert	ESIA of Proposed Civil Works (Bitumen Surface Roads, Gravel Surface Roads, Bridges and Drainage) in the City of Kisumu, Kenya which is funded by the Agence Francais de Development (AFD) – as part of Safe Environment	Urban infrastructure development - Roads, bridges and drainage construction works
2014	Nakuru County	Philip Barasa Environmental Officer; Kenya Electricity Generating Company – KENGEN; Email: pbaraza@kengen.co.ke Website: www.kengen.co.ke ; Ken Wade: ken.wade@5capitals.com or ken.wade@5capitals-group.com	SEA expert	Strategic Environmental Assessment for the Olkaria and Eburru Geothermal Fields for KenGen – in partnership with 5 Capitals Environmental & Management Consulting, Dubai UAE (Programme SEA)	Geothermal Energy
2013	Kajiado County	Amboseli Ecosystem Trust – AET, Tel: 0725 941 926, Email: Ecosystemtrust.Amboseli@gmail.com or ntoyianleyian@gmail.com , Website: www.amboseliecosystemtrust.org	Lead SEA Expert/ Team Leader	Strategic Environmental Assessment (SEA) for the Amboseli Ecosystem Management Plan (2008-2018) – Plan SEA	Ecosystem management

2013	Kwale County	Cortec Mining Company; David Anderson or Darren Townsend, Cortec Mining Ltd, Darren.Townsend@pacificwildcat.com	ESIA Expert/Team Leader	ESIA for the Construction of a Niobium and other Rare Earths Processing Plant in Mrima Hill, Kwale County Kenya	Mineral processing
2013	Muranga County	Kenya Rural Roads Authority; KeRRA CEO or Sophie Gathii, Safe Environment	ESIA Expert	ESIA for the Muranga Gitugi D427 AND Njumbi-Moro E546 Road Construction Project	Road construction
2012	Meru County	Kenya Rural Roads Authority; Sophie Gathii, Safe Environment	ESIA Expert	ESIA & RAP for the Chiakariga-Meru road (C92)) Road Construction Project in Meru County	Road construction
2012	Nyeri County	Kenya National Highway Authority (KeNHA); KENHA CEO/ Sophie Gathii, Safe Environment		ESIA for the Giakanja-Tetu Mission Road (D434), Kagogo-Ihwa-Ihururu (E1690) and Wandumbi-Kigogoini (E53) Road construction project, Nyeri County for Kenya National Highway Authority (KeNHA) as part of SafeEnvironmnet	Road construction
2011	Kenya	ACT Kenya; CEO ACT Kenya, Elysee Plaza, 3rd Floor, Kilimani Road, off Elgeyo Marakwet Road, P.O.Box 76390-00508. Nairobi-Kenya	Lead SEA Expert/Team Leader	Strategic Environmental Assessment (SEA) for the Pact Kenya Non-State Actors in the DfID/SIDA Changieni Rasili Mali NRM Programme in Kenya – Programme SEA	NRM
2011	International (Africa Region)	UNEP-RoA; Frank Turyatunga, Regional Co-ordinator	Lead Biodiversity Author (Africa Region)	Preparation of Chapter 9 on Policy Options for Africa in the 2012 UNEP Global Environment Outlook (GEO-5) which was launched in Rio+20	Biodiversity
2011	Kenya	Basecamp Foundation & Kenya Wildlife Trust	Conservation management expert	Preparation of guidelines for conservancy-based tourism development in Kenya	Conservancy management
2011	Narok County	Basecamp Foundation	Conservancy management expert	Preparation of Mara Naibosho Conservancy Management Plan (2010-2020)	Conservancy Management planning
2010	Kajiado County	Loisijo Lodge Management	Environmental Audit Expert	Environmental audit of Loisijo Lodge in Shompole, Magadi Region, South Rift	Tourism
2010	Kenya	Ministry of State for Development of Northern Kenya and other Arid Lands; World Bank. Arid Lands Resource Management Project (ALRMP II)	Environmental and natural resources valuation expert	Total economic evaluation of the Arid & Semi-arid Areas (ASALs) for the Ministry of State for the Development of Northern Kenya and other Arid Lands	Environment & Natural Resources
2010	Kenya	National Coordinating Agency on Population and Development (NCPD); CEO NCAPD Chancery Hse 4 th Flr;	PHE Integration Expert	Development of the 2009 Kenya State of Population Report on population dynamics and climate change: implications for the realization of the MDGs and the goals of Vision 2030	Population and Development

2009	Kenya	UNISDR Africa; Helene M. Lafferty, UNISDR Africa, UN Complex Block T Room T 117, helene.lafferty@unep.org	Environmental Hazard Expert	Preparation of country disaster fact sheets for Kenya for the United Nations International Strategy for Disaster Reduction (UNISDR- Africa)	Disaster Risk Reduction - DRR
2009	Nakuru & Nyandarua Counties	WWF-Malewa Project & Lake Naivasha Riparian association (LNRA); Project Coordinator WWF-Malewa project and CEO LNRA	Environment & NRM Expert	Preparation of the Lake Naivasha Basin Integrated Management Plan 2012-2022	Environment & NRM
2009	Kiambu County	Kenya Plant Health Inspectorate Service (KEPHIS); KEPHIS Plant Quarantine Station P.O. Box 49421-00100 Nairobi PH: 020-3597204/5 Cell:0722-209505 0734-330017	ESIA Expert	ESIA study for construction of a new office and laboratory block at the National Plant Quarantine Station (NPQS) Muguga in Nairobi for the Kenya Plant Health Inspectorate Service (KEPHIS)	Biosafety
2009	Somaliland	UNDP-Somalia	Environment & NRM Trainer	Environmental training of technical officers from the Ministry of Pastoral Development and Environment Hargeisha, Somaliland	Environment
2008	Kenya	National Environment Management Authority (NEMA-Kenya); NEMA Director General, 020-2101370, 020-2183718, 020-2307281, 020-2103696 Mobile: 0724 253398, 0735 013046. Incident line: 0786-101100, 0704 846019, Email:dgnema@nema.go.ke	Environmental Research Specialist	Development of a National Environment Research Agenda and Strategy (2008-2030)	Environment
2008	Nairobi	Kenya Plant Health Inspectorate Service (KEPHIS); KEPHIS Headquarters P.O. Box 49592-00100, Nairobi Cell: 0709 891 000; 020 661 8000 Email: director@kephis.org	ESIA Expert	EIA study for the construction of a new multipurpose laboratory complex and relocation of laboratory operations at the Kenya Plant Health Inspectorate Service (KEPHIS) head office in Karen Nairobi	Laboratory construction
2008	Rwanda & Ethiopia	Nile Transboundary Environmental Action Project (NTEAP) of the Nile Basin Initiative (NBI); Dr Henry Busulwa	Biodiversity & Ecosystems Expert	Review of consultancy reports for the studies on wetlands, biodiversity and water quality assessment in Lake Cyohoha (Rwanda) and Lake Tana (Ethiopia)	Ecosystem management
2008	Nairobi	Kenya Water & Health Organization (KWAHO); Catherine Mwango, CEO KWAHO (c.mwango@kwaho.org)	Water Quality Analyst	Assessment of point-of-use water treatment systems in the City of Nairobi Kenya in collaboration with the Kenya Water for Health Organization (KWAHO) and the Swiss Federal Institute of Aquatic Science and Technology (Eawag)	Water & Health

2007	Kenya	National Coordinating Agency on Population and Development (NCPD); CEO NCPD Chancery Hse 4 th Flr;	PHE Integration Expert	Country assessment for population, health and environment cross-sectoral integration and collaboration	Population, Health & Environment
2006	Kenya	UNEP-UNCTAD Capacity Building Task Force on Trade, Environment and Development (CBTF) UNEP-UNCTAD CBTF; Mr. Asad Naqvi	Environmental Expert	Country level integrated assessment of the impacts of organic agriculture on socio-economic and environment sectors	Organic Agriculture
2006	Laikipia & Samburu Counties	African Conservation Centre; CEO ACC +254 724 441 677, +254 20 251 2439, acc@acc.or.ke	NRM Expert	Assessment of natural resource utilization in Samburu and Laikipia with special emphasis on Namunyak, Kalama and Naibunga Conservancies for the GEF/AU-IBAR Dryland Livestock-Wildlife-Environment Interface Project (DLWEIP)	Environment, livestock and wildlife
2006	Kenya	National Environment Management Authority (NEMA-Kenya); NEMA Director General, 020-2101370, 020-2183718, 020-2307281, 020-2103696 Mobile: 0724 253398, 0735 013046. Incident line: 0786-101100, 0704 846019, Email:dgnema@nema.go.ke	Biodiversity Expert	Assessment of capacity building needs and country specific priorities for biodiversity conservation and management in Kenya for UNDP/GEF & National Environment Management Authority (NEMA)	Capacity Needs Assessment
2005	Nakuru County	Uhotani Community Based Organization, Naivasha	Participatory Community Action Plan (CAP) Facilitator	Development of a participatory community based natural resources management (CBNRM) action plan (CAP) for the Karai-Nyamathi- Mirera area, Naivasha.	CBNRM
2005	Turkana County	Kenya Forest Service; Director General 020 250 2508	Participatory Community Action Plan (CAP) Facilitator	Development of a participatory community based natural resources management (CBNRM) action plan (CAP) for Lokapel Hills Turkana Kenya in the GEF/GoK/UNDP/UNEP Indigenous Vegetation Project (KEN/98/G32)	CBNRM
2004	Nairobi	HR Manager CFC Bank Centre in Westlands	Environmental audit specialist	Environmental auditing of the CFC Bank Centre in Westlands	Environment
2004	Nakuru County	Kenya Wildlife Service; National Wetlands Program Coordinator	Environment & NRM Specialist	Development of an ecotourism business plan for the Greater Lake Nakuru Region	Ecotourism
2004	Kenya	Kenya Wildlife Service; National Wetlands Program Coordinator/ Dr. Phillip Bubb (Project Coordinator, WCMC Cambridge)	Wetlands Expert	Development of biodiversity indicators for national use (BINU) for the global UNEP/GEF/WCMC BINU Project	Biodiversity management
2004	Kenya	Kenya Wildlife Service; National Wetlands Program Coordinator	Wetlands specialist	Identification of critical wetland resource users and products and assessment of training needs in Kenya for	Wetlands management

				the IUCN-EARO/ NORAD East African Regional Wetlands Support Programme (EAWSP)	
2003	Kenya	Kenya Wildlife Service; National Wetlands Program Coordinator	Wetlands specialist	Review of assessment methodologies for socio-economic and cultural factors affecting wetlands management and conservation in Kenya	Wetlands management
2003	Kenya	Kenya Wildlife Service; National Wetlands Program Coordinator	Wetlands specialist	Development a Regional Wetlands Monitoring and Evaluation programme for Kenya	Wetlands management
2003	Kenya	Kenya Wildlife Service; National Wetlands Program Coordinator	Wetlands specialist	Inventory and assessment of wetland invasive species in Kenya	Wetlands management
2003	Nyandarua	Kenya Wildlife Service; National Wetlands Program Coordinator	Wetlands specialist	Development of the Lake Olbolossat Integrated Management Plan	Wetlands management

CONFERENCES, SCIENTIFIC MEETINGS & FOREIGN ASSIGNMENTS

1. **2025, Hargeysa, Somaliland**
Environmental Feasibility Assessment of Qool Caday Livestock Holding Ground and Quarantine Centre in Salaxley District, Maroodijex Region.
2. **2024, Kigali Rwanda**
Member State Validation Workshop for the Environmental and Social Safeguards Framework (ESSF) of the Pharmaceutical Industry in COMESA Region, 23-26th July 2024, M-Hotel, Kigali Rwanda.
3. **2023, Hargeysa, Somaliland**
Environmental assessment for the Lasdhure Water Project in the City of Hargeysa by the Hargeysa Water Agency (HWA) on behalf of the Government of Somaliland (GoSL) and funding by Somaliland Development Fund (DfID, DANIDA & Norwegian Government) for BMB Mott MacDonald International.
4. **2023, Borama, Somaliland**
Environmental assessment for the Afraaga Water Project for Borama Water Company by the Ministry of Water Resources and Awdal Water Company (SHABA) and funding by Somaliland Development Fund (DfID, DANIDA & Norwegian Government) for BMB Mott MacDonald International.
5. **2016, Vienna Austria**
Consultative meeting for Developing Guidelines for Conducting Strategic Environmental for Assessments for Nuclear Power programmes in the IAEA member Countries, IAEA Headquarters at Vienna International Centre, Vienna, Austria
6. **2015, Naivasha, Kenya**
Imarisha Naivasha 4th Annual Stakeholders Conference 2015, 2nd December 2015, Lake Naivasha Simba Lodge, Naivasha. Presented the opening address on the "Domestication of the 2009 National Climate Change Response Strategy in the Lake Naivasha Basin".
7. **2014, Hargeysa, Somaliland**
Environmental assessment for the Hora Hadley and Xaraf-Ayah 1&2 Water Project in the City of Hargeysa by the Hargeysa Water Agency (HWA) on behalf of the Government of Somaliland (GoSL) and funding by Somaliland Development Fund (DfID, DANIDA & Norwegian Government) for BMB Mott MacDonald International.
8. **2014, Hargeysa, Somaliland**
Environmental assessment for the Hargeysa-Berbera-Sheikh Road Rehabilitation Project by the Road Development Agency on behalf of the Government of Somaliland (GoSL) and funding Somaliland Development Fund (DfID, DANIDA & Norwegian Government) for BMB Mott MacDonald International.
9. **2014, Hargeysa, Somaliland**
Environmental feasibility assessment for the promotion of fish production and capacity building for the Ministry of Fishery and Marine Resources, Government of Somaliland financed by the Somaliland Development Fund (SDF) for Price Waterhouse Coppers (Pwc Kenya).
10. **2014, Nairobi, Kenya**
The 22nd Economic Symposium (Towards a Globally Competitive Economy. 19th-21st February 2014, Safari Park Hotel. Presented a keynote address on "Efficient and Equitable Natural Resources Management in Kenya"
11. **2013, Addis Ababa, Ethiopia**
International Population, Health, and Environment (PHE) Conference November 11-12, 2013 Radisson Blu Hotel, Addis Ababa, Ethiopia.
12. **2013: Kigali Rwanda**
UNESCO-IHE Africa Wetlands Forum - Wetlands: Wise Use, Smart Plans" 8-12 July 2013, Kigali, Rwanda

13. **2013: Nairobi, Kenya**
ACCFP-University of Nairobi Dialogue Workshop on Wildlife Management Education for Sustainable Adaptation to the Impacts of Climate Change on Human-Wildlife Conflicts. Monday, 21st January 2013, Chiromo Conference Centre, University of Nairobi (Lead Organizer).
14. **2012: Nakuru, Kenya**
National workshop on the national wetlands policy. Merica Hotel, Nakuru, 28th & 29th August 2012.
15. **2012: Dar es Salaam Tanzania**
Curriculum Options for Sustainable Adaptations to the Impact of Climate Change on Human- Wildlife Conflicts Around Conservation Areas in East Africa. The African Climate Change Fellowship Programme (ACCFP) Inception Meeting. 21-22 June 2012, Kunduchi Beach Hotel Dar es Salaam.
16. **2011: Nairobi, Kenya**
UNEP- GEO-5 Africa Chapter: Second Authors Meeting, 17-19 October 2011, UNEP Office, Nairobi Kenya.
17. **2011: Bangkok, Thailand**
UNEP- GEO-5 Second Production and Author's Meeting. 5 - 8 September 2011, Swissotel Nai Lert Park Bangkok, Thailand.
18. **2011: Nairobi, Kenya**
UNEP GEO-5 Africa Chapter: First Authors Meeting, 16-18 March 2011, UNEP Office, Nairobi Kenya.
19. **2010: Cairo, Egypt**
UNEP/CEDARE Consultative Meeting on the preparation of the Atlas of Africa's Water Resources. 18-20 January 2010, Hilton Hotel, Cairo Egypt.
20. **2009: Naivasha Kenya**
Population, health, and environment (PHE) linkages: Case studies in Kenya. IPPF/IUCN regional seminar on HIV/AIDS and environment linkages, Great Rift Valley Lodge, Naivasha, 24-26 June 2009.
21. **2007: Addis Ababa, Ethiopia**
Kenya Country Assessment Report on PHE Cross-Sectoral Integration. Regional Conference on Population, Health, and Environment November 14-16, 2007 United Nations Conference Centre | Addis Ababa, Ethiopia
22. **2007: Addis Ababa, Ethiopia**
Kenya preliminary report on the population, health and environment (PHE) integration and cross- sectoral collaboration. The Packard Foundation PHE Meeting, 12-13 February, Hilton Hotel
23. **2004: Pretoria, South Africa**
Development of Wetland Environment Indicators for National Use in Kenya (Project Proposal) CEOS TIGER Workshop on Space Technologies for Water Resources Management in Africa, 8-10 November 2004, CSIR International Conference Centre, Pretoria, RSA.
24. **2003: Cambridge, UK**
Biodiversity Indicators for National Use (*BINU-Kenya*) Country Mid-term Project Report - UNEP- GEF Biodiversity Indicators for National Use Mid-term Workshop, 30th June – 4th July 2003, the UNEP World Conservation Monitoring Centre (WCMC), Cambridge UK.
25. **2002: Adelaide, Australia**
Artificial Recharge Experiences in Kenya - UNESCO-IHP-IAH Workshop on Evaluation of Recharge Enhancement Projects in Arid and Semi-arid Areas, 21-22 September, University of Adelaide, South Australia.
26. **2002: Adelaide, Australia**
Artificial Recharge Experiences in Kenya - 4th International Symposium on Artificial Recharge (ISAR-4), 22-26 September, Adelaide Hilton, Adelaide, Australia.

27. **2002: Stockholm, Sweden**
Small Reservoirs and Rural Water Supply in Kenya: Balancing Landuse, Catchment Structure and Water Quality - The 12th International Stockholm Water Symposium, August 12-15, Stockholm City Conference Centre.
28. **2001: Kusatsu, Japan**
International Lake Environment Committee ILEC/UNEP International Training. Course on *Environmental Modeling*, 17th-18th November, ILEC head office, Kusatsu Japan
29. **2001: Shiga, Japan**
Towards Total Ecosystems Management in Kenyan Wetlands – Some Opportunities in the Small Man-made Reservoir Approach - The 9th International Conference on the Conservation and Management of Lakes, November 11-16, Otsu Prince Hotel, Shiga.
30. **2001: Bergen, Norway**
Recent Eutrophication Trends in Kenyan Ecosystems - The Second International Water History Association (IWhA) Conference on the Role of Water in History and Development, 10th-12th August, University of Bergen.
31. **2001: Amsterdam, The Netherlands**
Recent Trends in Eutrophication and Biotoxins production in Kenyan Waterbodies and the Participation of Local Communities in Damage Control - The Global Change Open Science Conference- Challenges of a Changing Earth. 10-13, July, The RAI Congress Centre, Amsterdam.
32. **2000: Nairobi, Kenya**
The Influence of Dams on the Continental Transfer of Phosphorus from Land to – Making inferences from catchment studies - LOICZ-IGBP AFRIBASINS I Workshop on the Fluxes of Nutrients and Sediments from Continents to Oceans. 25-27 July, UNEP HQs, Nairobi.
33. **1999: Nairobi, Kenya**
Integrated Watershed Management in Kenya – The small catchment approach – The BAHG/UNEP/AMCEN International Workshop on Freshwater Resources in Africa, 26 – 30 October, UNEP Headquarters, Nairobi.
34. **1999: Brisbane, Australia**
Implementation of Integrated Watershed Management Through Small Reservoir Catchments – The Second International Conference on Multiple Objective Decision Support Systems [MODSS'99] for Land and Water Management. 1 - 5 August. The Sheraton Hotel, Brisbane, Queensland.
35. **1999: Nairobi, Kenya**
Catchment-based Integrated Water Resources Management (IWRM) in the Rift Valley, Kenya: The small reservoir approach - The Ninth International Conference of the Eastern Africa Environmental Network (EAEN), May 28-29 1999. National Museums of Kenya, Nairobi.
36. **1999: Naivasha, Kenya**
The Limnogeography and Utilization of Small High Altitude Tropical Man-made Reservoirs in the Eastern Rift Valley, Kenya - International Conference on Shallow Tropical Waters and Humans. 11-16 April, KWSTI Naivasha.
37. **1998: Addis Ababa, Ethiopia**
The Environmental Characteristics and Socio-economic Values of Small Man-made Reservoirs in the Eastern Rift Valley, Kenya - Workshop for Winners of the Twelfth Organization for Social Science Research in Eastern and Southern Africa (OSSREA) Social Science Research Competition. 29 November - 02 December, OSSREA Building, University of Addis Ababa, Addis Ababa.
38. **1998: Dakar, Senegal**
The Characteristics of Small Man-made Wetlands in Kenya - Second International Conference on Wetlands and Development, 8-14 November, The Hotel Meridien, Dakar.
39. **1993: Tihany, Hungary**
International Lake Environment Committee ILEC/UNEP International Training. Course on *Limnological Bases of Lake Management*, 24th May–5th June 1993, Tihany, Hungary
