

CURRICULUM VITAE

PERSONAL DETAILS

Name : Joseck Mugendi Raymond

Date of birth : 10 May 1981

Nationality : Kenyan

Email address : jraymond@uonbi.ac.ke / joseckm21@gmail.com

Cell phone : +254725553261

Languages : English, Kiswahili

Religion : Christian

Career Objectives : To acquire and embrace new skills and implement them, thus professionally improve my working environment and achieve higher standards.

: To always offer my best to make my working area better than I found it.

PROFESSIONAL QUALIFICATIONS

2013 - 2016 **THE TECHNICAL UNIVERSITY OF KENYA**

- Diploma in Industrial and Applied Biology

2004 - 2006 **THE KENYA POLYTECHNIC**

- Certificate in Science Laboratory Technology

Aug – Oct. 2008 **SENATE COMPUTER CHAMBER**

- Certificate in Computer Studies

Dec 2016 - 13TH Feb2017 **PLENSER LIMITED**

- Certificate in waste incinerator operator and maintenance

EDUCATION BACKGROUND

1999 - 2002 **KIRIMARI HIGH SCHOOL**

- Kenya Certificate of Secondary Education

1987 – 1998 **ST. MATHEW BOARDING PRIMARY SCHOOL**

- Kenya Certificate of Primary Education

WORKING EXPERIENCE

2012 – To date

UNIVERSITY OF NAIROBI
Faculty of Veterinary Medicine
Dept. of Veterinary Pathology, Microbiology and Parasitology.
Technologist Grade ABC

Work responsibilities

- ❖ Assisting in research projects
- ❖ Preparation of laboratory reagents
- ❖ Demonstrating and preparations of students practical
- ❖ Storing and preservation of laboratory specimens
- ❖ Assisting in routine diagnosis
- ❖ Assisting in general laboratory work
- ❖ In charge of post-mortem room and waste incineration
- ❖ In charge of subsequent payment in the department.

Jan. 6th2009 – Feb. 20th 2010

MOI NATIONAL SCHOOL MBIRURI
Laboratory Technician

Work responsibilities

- ❖ Preparation of laboratory reagents
- ❖ Assisting in general laboratory work
- ❖ Storing and preservation of laboratory specimens
- ❖ Demonstrating and preparations of students practical
- ❖ Safekeeping of laboratory apparatus and equipments
- ❖ Advise the management on the appropriateness of apparatus and reagents.

Aug. 8th 2006 – Aug.23rd 2008

KAVUTIRI HIGH SCHOOL
Student attachee as Assistant Laboratory Technician

Work responsibilities

- ❖ Preparation of laboratory reagents
- ❖ Assisting in general laboratory work
- ❖ Storing and preservation of laboratory specimens
- ❖ Demonstrating and preparations of students practical
- ❖ Safekeeping of laboratory apparatus and equipments
- ❖ Advise the management on the appropriateness of apparatus and reagents.

June. 1st 2009 – Sept.20th 2009

UNIVERSITY OF NAIROBI
Dept. of Biological Sciences
Student Attachee as a Research Assistant

WORK RESPONSIBILITIES

- ❖ Assisting in research projects
- ❖ Storing and preservation of laboratory specimens
- ❖ Assisting in general laboratory work
- ❖ Preparation of laboratory reagents
- ❖ Safekeeping of laboratory apparatus and equipment's.

POSTMORTEM DUTIES

- ❖ Assisting in necropsy
- ❖ Receiving carcasses in the post-mortem room
- ❖ Keeping the reports and records in order including subsequent payments
- ❖ Assisting in routine diagnosis
- ❖ Supervising the post-mortem room and the disposal pit
- ❖ Preparation of laboratory reagents
- ❖ Assisting in research projects
- ❖ Ensuring the post-mortem room is clean and tidy

INCINERATION DUTIES

- ❖ Operating and maintaining the incinerator
- ❖ Ensuring the incinerator room is clean and tidy
- ❖ Receiving the waste for incineration and making sure incineration is done perfectly and in accordance with the laid down NEMA standards
- ❖ Ensuring that all monies are paid promptly and any billing or invoicing of material is done professionally.
- ❖ Ensuring the sterilization room is clean and tidy
- ❖ Receiving the glassware from different laboratory and making sure they are sterile and clean
- ❖ Assisting in research projects
- ❖ Keeping the sterilization reports and records in order
- ❖ Dispatching glassware to different laboratory
- ❖ Decontaminating biological waste from laboratories and disposing them accordingly.

STERILIZATION DUTIES

- ❖ Operating and maintaining the incinerator
- ❖ Ensuring the incinerator room is clean and tidy
- ❖ Receiving the waste for incineration and making sure incineration is done perfectly and in accordance with the laid down NEMA standards
- ❖ Ensuring that all monies are paid promptly and any billing or invoicing of material is done professionally.
- ❖ Ensuring the sterilization room is clean and tidy
- ❖ Receiving the glassware from different laboratory and making sure they are sterile and clean
- ❖ Assisting in research projects
- ❖ Keeping the sterilization reports and records in order
- ❖ Dispatching glassware to different laboratory
- ❖ Decontaminating biological waste from laboratories and disposing them accordingly.

PARASITOLOGY DUTIES

- ❖ Preparation of laboratory reagents
- ❖ Assisting in general laboratory work
- ❖ Storing and preservation of laboratory specimens
- ❖ Demonstrating and preparations of students practical
- ❖ Safekeeping of laboratory apparatus and equipments
- ❖ Advise the management on the appropriateness of apparatus and reagents

SKILLS AND EXPERIENCE OUTLINE

Over the working career I have acquired hands on experience and skills on the following;

- ❖ Attended a training on website champion in the University of Nairobi
- ❖ Attended training on birds of prey in the University of Nairobi and awarded a certificate.
- ❖ Attended training on incinerator operator and maintenance in the University of Nairobi and awarded a certificate.
- ❖ A member of Kenya livestock technology association.(K.E.L.I.T.A)
- ❖ Attended Nairobi international Trade Fair and awarded with a certificate of recognition for exemplary services in preparation and staging in the trade fair.

- ❖ Attended a training on Active AMR Surveillance in Commercial Chicken Populations across 15 Counties in Kenya.
- ❖ Attended a training of Veterinary staff on practical aspects of biological sample collection, processing, storage, biosecurity/biosafety and data management.
- ❖ Attended a training on Active AMR Surveillance in dairy cows in two counties in Kenya and awarded with a certificate of recognition.
