

**PERSONAL DATA:**

**NAME** : STEPHEN MUTHUSI KATEMBU.  
**ADDRESS** : P.O. BOX 19676-00202.  
**TELEPHONE** : 0720-736971; 0721442557.  
**E-MAIL** : stevemutsi@yahoo.com.  
**DATE OF BIRTH** : 19<sup>th</sup> December, 1978.  
**NATIONALITY** : Kenyan.  
**GENDER** : Male.  
**MARITAL STATUS** : Married.  
**RELIGION** : Christian.  
**CAREER GOAL** : To work in a competitive and challenging environment to develop my career.

**EDUCATIONAL BACKGROUND**

2007-2009 : **The Kenya Polytechnic University College**  
 Higher Diploma in Applied Chemistry  
 (Analytical option)

2005 Sept to Nov : **World-link Institute of professional Studies**  
 Certificate in advanced computer applications

1999 – 2001 : **Nairobi Technical Training Institute.**  
 Diploma in Applied Chemistry  
 (Analytical option)  
**Research project;** The effects of the illicit liquor, '*chang'aa*'

1993 – 1996 : **Maiani Secondary School.**  
 Kenya Certificate of Secondary Education, B<sup>-</sup> (Minus).

1985 – 1992 : **Maiani Primary School.**  
 Kenya Certificate of Primary Education.

**FIELD EXPERIENCE**

**2006-Present** : **Technologist Grade ABC**  
University of Nairobi

**Responsibilities** :

- ◆ Preparation and supervision of students practicals
- ◆ Research work, Routine Analysis of pharmaceutical products and raw materials which involve constant use of equipments such as High Performance Liquid Chromatography, Potentiometers, UV- VIS Spectrophotometer, IR Spectrophotometer. Other methods such as chemical and microbiological methods are also used e.g. titrimetry, Microbiological assays, Microbial load and sterility testing.
- ◆ General maintenance and Calibration of laboratory equipment.
- ◆ Good laboratory housekeeping.

**2006 Feb to May** : **Cosmos pharmaceutical manufacturers Ltd.**  
**Position** : Quality Control Analyst.

**Responsibilities** :

- ◆ Good Laboratory housekeeping.
- ◆ Preparation and Standardization of volumetric solutions.
- ◆ Preparation of working standards.
- ◆ Raw material analysis.
- ◆ Water Analysis.

**2003 Feb to 2006 Jan** : **Infusion Kenya Limited.**  
**Position** : Quality Control Analyst (Chemical Analysis)

**Responsibilities**

- ◆ Good Laboratory housekeeping.
- ◆ Preparation and Standardization of volumetric solutions.
- ◆ Raw material and finished product analysis.
- ◆ Calibration of analytical equipment.
- ◆ Validation of analytical and other equipment.
- ◆ Validation of analytical methods.
- ◆ Process validation.

**2000 Aug – Nov** : Attachment program with the Drug Analysis and Research Unit  
(DARU) University of Nairobi, Faculty of Pharmacy

**2002 May – Nov** :  
**Position** : Chemical Analyst.

**Experience Gained** :

- ◆ Good Laboratory Practices.
- ◆ Preparation and Standardization of volumetric solutions.
- ◆ Titrimetric analysis.
- ◆ HPLC analytical equipment use.
- ◆ Spectrophotometry (UV) Analytical equipment use.
- ◆ Raw Material and finished product analysis.  
(Pharmaceutical Products)

**HOBBIES**

- Adventure                      Sports.
- Music                              Reading

**OTHER ACHIEVEMENTS:**

Basic computer knowledge  
Attended a Fire safety and first Aid Training by Morison  
Engineering Ltd  
Attended peak performance training

**REFEREES**

DR. JOHN OGETO  
SENIOR LECTURER  
DEPARTMENT OF PHARMACEUTICAL CHEMISTRY  
UNIVERSITY OF NAIROBI  
P.O. BOX.19676 00202,  
**NAIROBI**

MR. JOSEPH NGUYO  
PRINCIPAL TECHNOLOGIST  
DEPARTMENT OF PHARMACEUTICAL CHEMISTRY  
UNIVERSITY OF NAIROBI  
P.O. BOX.19676 00202,  
**NAIROBI**

MR. KIMEI  
HEAD OF SCIENCE DEPARTMENT  
KENYA POLYTECHNIC UNIVERSITY COLLEGE  
**TEL; 0722277331**
