A Commentary on the Evidence Act
Cap. 80
Steve Ouma

Steve Ouma was born in Mombasa. He attended St Peter's Mumias, Mukumu and Cardinal Ottunga [Mosocho] Schools. He read law and graduated with an LL.B. Honours degree from the University of Nairobi and an LL.M. from the Oliver Schreiner School of Law, University of the Witwatersrand and is currently a doctoral candidate. He is an Advocate of the High Court of Kenya and lectures at university. He has taught various law units and supervised research by LL.B. candidates. His areas of research interest are the interface between rule of law, constitutionalism and development and adversarial law.

This textbook is an authoritative, comprehensive and highly readable introduction to the law of evidence in Kenya. It is a systematic and balanced commentary on the Evidence Act cap 80 written with great clarity and conciseness. It covers all major topics in the law of evidence in sufficient detail but avoids superfluous detail. It’s obvious strengths are to be found in clear exposition, rigorous analysis and detailed referencing. This book is recommended reading for the able and enquiring student and a convenient reference work for practitioners of the law of evidence.
